

SAFETY DATA SHEET

Malibu Wellness, Inc. encourages and expects you to read and understand the SDS, as there is important information throughout this document. We expect you to follow the precaution identified in this document.

SECTION 1 - CHEMICAL SUBSTANCE/PRODUCT AND COMPANY IDENTIFICATION

- **Finished Product Name:** Malibu C[®] Disruptor
- **SKU:** 34112
- **UPC Number:** 757088341128

- **Company Identification:** Malibu Wellness, Inc.
6050 E. Hanna Avenue, Indianapolis, In 46203
- **Contact:** Consumer Relations at 1-800-622-7332

- **In case of medical emergencies, please contact your local poison control center.**
- **Transportation emergency (24 hour), contact:**

CHEMTREC - Phone # 1-800-424-9300 (U.S. and Canada) or 011-703-527-3887 (for calls originating elsewhere).

- **DATE:** 10-29-2019

SECTION 2 - HAZARDS IDENTIFICATION

EMERGENCY OVERVIEW:

GHS Pictogram:

Signal Word: Warning

Hazard Statement: Flammable Liquid and Vapor,

Precautionary Statement: P210 - Keep away from heat/sparks/open flames/hot surfaces

This personal care product is safe for consumers and other users when used as directed and intended. Additional information re: any specific toxicological issues are available upon written request.

POTENTIAL HEALTH EFFECTS:

- **Eye:**

May cause eye irritation. Some redness and/or stinging may occur.

- **Skin:**

May cause skin irritation

- **Inhalation:**

Not expected to be irritating to the respiratory system.

- **Ingestion:**

Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.

SECTION 3 - COMPOSITION AND INGREDIENTS

The complete ingredient list for the finished product(s) is as follows:

Alcohol Denat., Water/Aqua/Eau, Propylene Glycol, Olive Oil, Carbomer, Tocopheryl Acetate, Potassium Hydroxide.

The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

SECTION 4 - FIRST AID MEASURES

- **Eye:**

Immediately flush with cool water for at least 20 minutes. If discomfort or irritation persists, contact a physician.

- **Skin Problem:**

Discontinue use of product. If discomfort persists, contact a physician.

- **Inhalation:**

If respiratory irritation occurs, move individual to fresh air. Consult a physician if irritation persists.

- **Ingestion:**

DO NOT induce vomiting. Drink cool water. Call a physician or poison control center. Never give anything by mouth to an unconscious person.

SECTION 5 - FIRE FIGHTING MEASURES

- **Flash Point:** 26° C closed cup.
- **Auto Ignition Temperature:** Not applicable.

- **Extinguishing Media:** Use extinguishing measures appropriate to local circumstances and surrounding environment.

- **Specific Hazard:** Flammable liquid.

- **Fire Fighting Instructions:** Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives. Thermal degradation may also produce oxides of silicone.

SECTION 6- ACCIDENTAL RELEASE MEASURES

- **Personal precautions:** Floor will become slippery. Keep personnel from entering spill area
- **Environmental precautions:** Avoid runoff into storm sewers, ditches and waterways
- **Methods of containment:** Eliminate all ignition sources if safe to do so. Contain spills with an inert absorbent material, (sand, earth, vermiculite) and place in container for disposal according to local national regulations.
- **Methods of Cleanup:** Flush away traces with water and clean with mop and rug

SECTION 7 - HANDLING AND STORAGE

- **Handling:** Use with adequate ventilation. Avoid vapors, spray or mist.
- **Storage:** Keep away from heat and sources of ignition. Store in a cool dry place. Keep partially used containers closed and away from heat and humidity. Do not exceed storage temperature of (38 °C) 100°F. Keep out of reach of children.

SECTION 8 - EXPOSURE CONTROLS, PERSONAL PROTECTION

- **For Household Settings:**

This personal care product is safe for consumers and other users under normal and reasonably foreseen use.

- **For Non-Household Settings:**

Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact. Always follow good hygienic work practices. Avoid prolonged contact with skin and clothing.

SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

- | | |
|---|---|
| • Color, Odor and Appearance: White to Yellow Liquid | • Melting Point: Not applicable. |
| • Physical State: Liquid | • Boiling Point: Decomposes |
| • pH : 3.5-9.0 | • Solubility in Water: soluble |
| • Flashpoint: Not applicable. | • % VOC: 0% VOC |
| • Vapor Density: Not applicable. | • Specific Gravity: 0.70-1.90 |

SECTION 10 - STABILITY AND REACTIVITY

- **Conditions to Avoid:** Extreme heat, flames and sparks.
- **Other Recommendations:** None.

SECTION 11 - TOXICOLOGICAL INFORMATION

This personal care product is safe for consumers and other users under intended and reasonably foreseeable use. Additional information regarding toxicological issues is available from the supplier upon request.

Chronic Effects: Finished product is not expected to have chronic health effects.

Target Organs: No adverse health effects on target organs expected for finished product.

Carcinogenicity: Finished product is not expected to be carcinogenic.

NTP: No **IARC:** No **OSHA:** No

SECTION 12 - ECOLOGICAL INFORMATION

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier on request.

SECTION 13 - DISPOSAL CONSIDERATIONS

Disposal should be in accordance with Federal, State/Provincial and Local regulations.

For Household Settings: The following instructions are for consumer usage only. Do not discharge product into natural waters without adequate dilution.

For Non-Household Settings: Products covered by this SDS, in their original form, when disposed as waste, are considered non-hazardous waste according to Federal RCRA regulations (40 CFR 261). Disposal should be in accordance with local, state and federal regulations.

California Waste Code: 331

SECTION 14 - TRANSPORT INFORMATION

Finished packaged product transported by ground (DOT): Non hazardous

Finished packaged product transported by vessel (IMDG): Non hazardous

Finished packaged product transported by air (IATA): Non hazardous

SECTION 15 - ADDITIONAL REGULATORY INFORMATION

EU DPD (Dangerous Products Directive) Classification (DPD 88/379/EEC).

Regulated as a Cosmetic and/or Drug under FDA (US), HPB (Canada), Cosmetic Directive (EU), MHW (Japan) and MOH (China).

While the finished product(s) is not considered hazardous as defined in 29 CFR 1910.1200 (d), this SDS contains valuable information critical to the safe handling and proper use of the product.

US Federal

The product described in this Safety Data Sheet is regulated under the Federal Food, Drug, and Cosmetics Act and is safe to use as per directions on container, box or accompanying literature (where applicable).

CERCLA reportable quantity (RQ):

To the best of our knowledge, no CERCLA Reportable quantity has been established for this product.

SARA 313/302/304/311/312 chemicals:

Immediate (Acute) Health Hazard: No

Delayed (Chronic) Health Hazard: No

Fire Hazard: No

Reactive Hazard: No

Sudden Release of Pressure Hazard: No

Section 313: To the best of our knowledge, this product does not contain chemicals at levels which require reporting under this statute.

Canada

All ingredients are CEPA approved for import to Canada. This product has been registered in accordance with the hazard criteria of the Canadian Controlled Product Regulations (CPR) and this SDS contains all information required by the CPR.

US States

CA Prop 65:

This product is not subject to warning labeling under California Proposition 65.

State Right-to-Know:

Pennsylvania (Worker Right to know Act): Pennsylvania Special Hazardous Substance list.

To the best of our knowledge, this product does not contain chemicals at levels which require reporting under this statute.

Other

Perfumes contained within the products covered by this SDS comply with appropriate IFRA guidance.

SECTION 16 - OTHER INFORMATION

DISCLAIMER: This SDS is intended to provide a brief summary of our knowledge and guidance regarding the use of this material. The information contained here has been compiled from sources considered by Procter & Gamble to be dependable and is accurate to the best of the Company's knowledge. It is not meant to be an all-inclusive document on worldwide hazard communication regulations.

This information is offered in good faith. Each user of this material needs to evaluate the conditions of use and design the appropriate protective mechanisms to prevent employee

exposures, property damage or release to the environment. Malibu Wellness, Inc. assumed no responsibility for injury to the recipient or third persons, or for any damage to any property resulting from misuse of the product.

SAFETY DATA SHEET

Malibu Wellness, Inc. encourages and expects you to read and understand the SDS, as there is important information throughout this document. We expect you to follow the precaution identified in this document.

SECTION 1 - CHEMICAL SUBSTANCE/PRODUCT AND COMPANY IDENTIFICATION

- **Finished Product Name:** Malibu C[®] Color Prepare
- **SKU:** (757088159556), (757088159501)

- **Company Identification:** Malibu Wellness, Inc.
6050 E. Hanna Avenue, Indianapolis, In 46203
- **Contact:** Consumer Relations at 1-800-622-7332

- **In case of medical emergencies, please contact your local poison control center.**
- **Transportation emergency (24 hour), contact:**

CHEMTREC - Phone # 1-800-424-9300 (U.S. and Canada) or 011-703-527-3887 (for calls originating elsewhere).

- **DATE:** 5-15-2015

SECTION 2 - HAZARDS IDENTIFICATION

EMERGENCY OVERVIEW:

This personal care product is safe for consumers and other users when used as directed and intended.. Additional information re: any specific toxicological issues are available upon written request.

POTENTIAL HEALTH EFFECTS:

- **Eye:**

Contact may cause mild, transient irritation. Some redness and/or stinging may occur.

- **Skin:**

Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient.

- **Inhalation:**

Not expected to be irritating to the respiratory system. Not volatile therefore limited inhalation exposure anticipated.

- **Ingestion:**

Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.

SECTION 3 - COMPOSITION AND INGREDIENTS

The complete ingredient list for the finished product(s) is as follows:

Glucose, Ascorbic Acid, Sodium Gluconate, Sodium Cocoyl Isethionate, Disodium EDTA, Xanthan Gum, Betaine, Panthenol.

The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

SECTION 4 - FIRST AID MEASURES

- **Eye:**

Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, contact a physician.

- **Skin Problem:**

Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

- **Inhalation:**

If respiratory irritation occurs, remove individual to fresh air. Consult a physician if irritation persists.

- **Ingestion:**

Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting. Note: After first aid treatment, the caller should be advised that 1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary in the judgment of the caller, and 2) that the subsequent management of the accident should be dictated by any persistent symptoms and under the direction of the physician.

SECTION 5 - FIRE FIGHTING MEASURES

- **Flash Point:** Not applicable.

- **Extinguishing Media:** Use chemical foam, dry chemical, carbon dioxide or water.

- **Explosion Hazard:** No applicable information has been found.

- **Fire Fighting Instructions:** Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives. Thermal degradation may also produce oxides of silicone.

SECTION 6- ACCIDENTAL RELEASE MEASURES

- **Procedures for Spill/Leak Clean-up:**

For Household Settings: Absorb liquid and scrub the area with detergent. Dilute with water.

For Non-Household Settings: Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact.

SECTION 7 - HANDLING AND STORAGE

- **Precautions for Safe Handling:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Conditions for Safe Storage:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Other Recommendations:** None.

SECTION 8 - EXPOSURE CONTROLS, PERSONAL PROTECTION

- **For Household Settings:**

This personal care product is safe for consumers and other users under normal and reasonably foreseen use.

- **For Non-Household Settings:**

Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact. Always follow good hygienic work practices. Avoid prolonged contact with skin and clothing.

SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

- | | |
|---|---|
| • Color, Odor and Appearance: White crystalline powder | • Melting Point: Not applicable. |
| • Physical State: Powder | • Boiling Point: Not applicable |
| • pH (14% solution): 3.5-4.2 | • Solubility in Water: soluble. |
| • Flashpoint: Not applicable. | • % VOC: 0% VOC |
| • Vapor Density: Not applicable. | • Specific Gravity: 1.00-1.90 |

SECTION 10 - STABILITY AND REACTIVITY

- **Conditions to Avoid:** No applicable information has been found.
- **Other Recommendations:** None.

SECTION 11 - TOXICOLOGICAL INFORMATION

This personal care product is safe for consumers and other users under intended and reasonably foreseeable use. Additional information regarding toxicological issues is available from the supplier upon request.

Chronic Effects: Finished product is not expected to have chronic health effects.

Target Organs: No adverse health effects on target organs expected for finished product.

Carcinogenicity: Finished product is not expected to be carcinogenic.

NTP: No **IARC:** No **OSHA:** No

SECTION 12 - ECOLOGICAL INFORMATION

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier on request.

SECTION 13 - DISPOSAL CONSIDERATIONS

Disposal should be in accordance with Federal, State/Provincial and Local regulations.

For Household Settings: The following instructions are for consumer usage only. Do not discharge product into natural waters without adequate dilution.

For Non-Household Settings: Products covered by this SDS, in their original form, when disposed as waste, are considered non-hazardous waste according to Federal RCRA regulations (40 CFR 261). Disposal should be in accordance with local, state and federal regulations.

California Waste Code: 331

SECTION 14 - TRANSPORT INFORMATION

Finished packaged product transported by ground (DOT): Non hazardous

Finished packaged product transported by vessel (IMDG): Non hazardous

Finished packaged product transported by air (IATA): Non hazardous

SECTION 15 - ADDITIONAL REGULATORY INFORMATION

EU DPD (Dangerous Products Directive) Classification (DPD 88/379/EEC).

Regulated as a Cosmetic and/or Drug under FDA (US), HPB (Canada), Cosmetic Directive (EU), MHW (Japan) and MOH (China).

While the finished product(s) is not considered hazardous as defined in 29 CFR 1910.1200 (d), this SDS contains valuable information critical to the safe handling and proper use of the product.

US Federal

The product described in this Safety Data Sheet is regulated under the Federal Food, Drug, and Cosmetics Act and is safe to use as per directions on container, box or accompanying literature (where applicable).

- **DATE:** 10-24-2019

SECTION 2 - HAZARDS IDENTIFICATION

EMERGENCY OVERVIEW:

This personal care product is safe for consumers and other users when used as directed and intended.. Additional information re: any specific toxicological issues are available upon written request.

POTENTIAL HEALTH EFFECTS:

- **Eye:**

Contact may cause mild, transient irritation. Some redness and/or stinging may occur.

- **Skin:**

Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient.

- **Inhalation:**

Not expected to be irritating to the respiratory system. Not volatile therefore limited inhalation exposure anticipated.

- **Ingestion:**

Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.

SECTION 3 - COMPOSITION AND INGREDIENTS

The complete ingredient list for the finished product(s) is as follows:

Sodium Gluconate, Ascorbic Acid, Disodium EDTA, Xanthan Gum

The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

SECTION 4 - FIRST AID MEASURES

- **Eye:**

Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, contact a physician.

- **Skin Problem:**

Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

- **Inhalation:**

If respiratory irritation occurs, remove individual to fresh air. Consult a physician if irritation persists.

- **Ingestion:**

Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting. Note: After first aid treatment, the caller should be advised that 1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary in the judgment of the caller, and 2) that the subsequent management of the accident should be dictated by any persistent symptoms and under the direction of the physician.

SECTION 5 - FIRE FIGHTING MEASURES

- **Flash Point:** Not applicable.

- **Extinguishing Media:** Use chemical foam, dry chemical, carbon dioxide or water.

- **Explosion Hazard:** No applicable information has been found.

- **Fire Fighting Instructions:** Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives. Thermal degradation may also produce oxides of silicone.

SECTION 6- ACCIDENTAL RELEASE MEASURES

- **Procedures for Spill/Leak Clean-up:**

For Household Settings: Absorb liquid and scrub the area with detergent. Dilute with water.

For Non-Household Settings: Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact.

SECTION 7 - HANDLING AND STORAGE

- **Precautions for Safe Handling:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Conditions for Safe Storage:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Other Recommendations:** None.

SECTION 8 - EXPOSURE CONTROLS, PERSONAL PROTECTION

- **For Household Settings:**

This personal care product is safe for consumers and other users under normal and reasonably foreseen use.

- **For Non-Household Settings:**

Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact. Always follow good hygienic work practices. Avoid prolonged contact with skin and clothing.

SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

- | | |
|---|---|
| • Color, Odor and Appearance: White crystalline powder | • Melting Point: Not applicable. |
| • Physical State: Powder | • Boiling Point: Not applicable |
| • pH (14% Solution): 4.0-4.6 | • Solubility in Water: soluble |
| • Flashpoint: Not applicable. | • % VOC: 0% VOC |
| • Vapor Density: Not applicable. | • Specific Gravity: 1.00-1.90 |

SECTION 10 - STABILITY AND REACTIVITY

- **Conditions to Avoid:** No applicable information has been found.
- **Other Recommendations:** None.

SECTION 11 - TOXICOLOGICAL INFORMATION

This personal care product is safe for consumers and other users under intended and reasonably foreseeable use. Additional information regarding toxicological issues is available from the supplier upon request.

Chronic Effects: Finished product is not expected to have chronic health effects.

Target Organs: No adverse health effects on target organs expected for finished product.

Carcinogenicity: Finished product is not expected to be carcinogenic.

NTP: No **IARC:** No **OSHA:** No

SECTION 12 - ECOLOGICAL INFORMATION

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier on request.

SECTION 13 - DISPOSAL CONSIDERATIONS

Disposal should be in accordance with Federal, State/Provincial and Local regulations.

For Household Settings: The following instructions are for consumer usage only. Do not discharge product into natural waters without adequate dilution.

For Non-Household Settings: Products covered by this SDS, in their original form, when disposed as waste, are considered non-hazardous waste according to Federal RCRA regulations (40 CFR 261). Disposal should be in accordance with local, state and federal regulations.

California Waste Code: 331

SECTION 14 - TRANSPORT INFORMATION

Finished packaged product transported by ground (DOT): Non hazardous

Finished packaged product transported by vessel (IMDG): Non hazardous

Finished packaged product transported by air (IATA): Non hazardous

SECTION 15 - ADDITIONAL REGULATORY INFORMATION

EU DPD (Dangerous Products Directive) Classification (DPD 88/379/EEC).

Regulated as a Cosmetic and/or Drug under FDA (US), HPB (Canada), Cosmetic Directive (EU), MHW (Japan) and MOH (China).

While the finished product(s) is not considered hazardous as defined in 29 CFR 1910.1200 (d), this SDS contains valuable information critical to the safe handling and proper use of the product.

US Federal

The product described in this Safety Data Sheet is regulated under the Federal Food, Drug, and Cosmetics Act and is safe to use as per directions on container, box or accompanying literature (where applicable).

CERCLA reportable quantity (RQ):

To the best of our knowledge, no CERCLA Reportable quantity has been established for this product.

SARA 313/302/304/311/312 chemicals:

Immediate (Acute) Health Hazard: No

Delayed (Chronic) Health Hazard: No

Fire Hazard: No

Reactive Hazard: No

Sudden Release of Pressure Hazard: No

Section 313: To the best of our knowledge, this product does not contain chemicals at levels which require reporting under this statute.

Canada

All ingredients are CEPA approved for import to Canada. This product has been registered in accordance with the hazard criteria of the Canadian Controlled Product Regulations (CPR) and this SDS contains all information required by the CPR.

US States

CA Prop 65:

This product is not subject to warning labeling under California Proposition 65.

State Right-to-Know:

Pennsylvania (Worker Right to know Act): Pennsylvania Special Hazardous Substance list.

To the best of our knowledge, this product does not contain chemicals at levels which require reporting under this statute.

Other

Perfumes contained within the products covered by this SDS comply with appropriate IFRA guidance.

SECTION 16 - OTHER INFORMATION

DISCLAIMER: This SDS is intended to provide a brief summary of our knowledge and guidance regarding the use of this material. The information contained here has been compiled from sources considered by Procter & Gamble to be dependable and is accurate to the best of the Company's knowledge. It is not meant to be an all-inclusive document on worldwide hazard communication regulations.

This information is offered in good faith. Each user of this material needs to evaluate the conditions of use and design the appropriate protective mechanisms to prevent employee

exposures, property damage or release to the environment. Malibu Wellness, Inc. assumed no responsibility for injury to the recipient or third persons, or for any damage to any property resulting from misuse of the product.

SAFETY DATA SHEET

Malibu Wellness, Inc. encourages and expects you to read and understand the SDS, as there is important information throughout this document. We expect you to follow the precaution identified in this document.

SECTION 1 - CHEMICAL SUBSTANCE/PRODUCT AND COMPANY IDENTIFICATION

- **Finished Product Name:** Malibu C® Curl Partner
- **SKU:** (757088590359), (757088590304)

- **Company Identification:** Malibu Wellness, Inc.
6050 E. Hanna Avenue, Indianapolis, In 46203
- **Contact:** Consumer Relations at 1-800-622-7332

- **In case of medical emergencies, please contact your local poison control center.**
- **Transportation emergency (24 hour), contact:**

CHEMTREC - Phone # 1-800-424-9300 (U.S. and Canada) or 011-703-527-3887 (for calls originating elsewhere).

- **DATE:** 10-24-2019

SECTION 2 - HAZARDS IDENTIFICATION

EMERGENCY OVERVIEW:

This personal care product is safe for consumers and other users when used as directed and intended. Additional information re: any specific toxicological issues are available upon written request.

POTENTIAL HEALTH EFFECTS:

- **Eye:**

Contact may cause mild, transient irritation. Some redness and/or stinging may occur.

- **Skin:**

Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient.

- **Inhalation:**

Not expected to be irritating to the respiratory system. Not volatile therefore limited inhalation exposure anticipated.

- **Ingestion:**

Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.

SECTION 3 - COMPOSITION AND INGREDIENTS

The complete ingredient list for the finished product(s) is as follows:

Glucose, Ascorbic Acid, Sodium Gluconate, Sodium Cocoyl Isethionate, Disodium EDTA, Citric Acid, Xanthan Gum, Allantoin, Betaine.

The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

SECTION 4 - FIRST AID MEASURES

- **Eye:**

Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, contact a physician.

- **Skin Problem:**

Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

- **Inhalation:**

If respiratory irritation occurs, remove individual to fresh air. Consult a physician if irritation persists.

- **Ingestion:**

Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting. Note: After first aid treatment, the caller should be advised that 1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary in the judgment of the caller, and 2) that the subsequent management of the accident should be dictated by any persistent symptoms and under the direction of the physician.

SECTION 5 - FIRE FIGHTING MEASURES

- **Flash Point:** Not applicable.

- **Extinguishing Media:** Use chemical foam, dry chemical, carbon dioxide or water.

- **Explosion Hazard:** No applicable information has been found.

- **Fire Fighting Instructions:** Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives. Thermal degradation may also produce oxides of silicone.

SECTION 6- ACCIDENTAL RELEASE MEASURES

- **Procedures for Spill/Leak Clean-up:**

For Household Settings: Absorb liquid and scrub the area with detergent. Dilute with water.

For Non-Household Settings: Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact.

SECTION 7 - HANDLING AND STORAGE

- **Precautions for Safe Handling:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Conditions for Safe Storage:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Other Recommendations:** None.

SECTION 8 - EXPOSURE CONTROLS, PERSONAL PROTECTION

- **For Household Settings:**

This personal care product is safe for consumers and other users under normal and reasonably foreseen use.

- **For Non-Household Settings:**

Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact. Always follow good hygienic work practices. Avoid prolonged contact with skin and clothing.

SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

- | | |
|---|---|
| • Color, Odor and Appearance: white crystalline powder | • Melting Point: Not applicable. |
| • Physical State: Powder | • Boiling Point: Not applicable |
| • pH (14% Solution): 3.4 – 4.0 | • Solubility in Water: soluble. |
| • Flashpoint: Not applicable. | • % VOC: 0% VOC |
| • Vapor Density: Not applicable. | • Specific Gravity: 1.00-1.90 |

SECTION 10 - STABILITY AND REACTIVITY

- **Conditions to Avoid:** No applicable information has been found.
- **Other Recommendations:** None.

SECTION 11 - TOXICOLOGICAL INFORMATION

This personal care product is safe for consumers and other users under intended and reasonably foreseeable use. Additional information regarding toxicological issues is available from the supplier upon request.

Chronic Effects: Finished product is not expected to have chronic health effects.

Target Organs: No adverse health effects on target organs expected for finished product.

Carcinogenicity: Finished product is not expected to be carcinogenic.

NTP: No **IARC:** No **OSHA:** No

SECTION 12 - ECOLOGICAL INFORMATION

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier on request.

SECTION 13 - DISPOSAL CONSIDERATIONS

Disposal should be in accordance with Federal, State/Provincial and Local regulations.

For Household Settings: The following instructions are for consumer usage only. Do not discharge product into natural waters without adequate dilution.

For Non-Household Settings: Products covered by this SDS, in their original form, when disposed as waste, are considered non-hazardous waste according to Federal RCRA regulations (40 CFR 261). Disposal should be in accordance with local, state and federal regulations.

California Waste Code: 331

SECTION 14 - TRANSPORT INFORMATION

Finished packaged product transported by ground (DOT): Non hazardous

Finished packaged product transported by vessel (IMDG): Non hazardous

Finished packaged product transported by air (IATA): Non hazardous

SECTION 15 - ADDITIONAL REGULATORY INFORMATION

EU DPD (Dangerous Products Directive) Classification (DPD 88/379/EEC).

Regulated as a Cosmetic and/or Drug under FDA (US), HPB (Canada), Cosmetic Directive (EU), MHW (Japan) and MOH (China).

While the finished product(s) is not considered hazardous as defined in 29 CFR 1910.1200 (d), this SDS contains valuable information critical to the safe handling and proper use of the product.

US Federal

The product described in this Safety Data Sheet is regulated under the Federal Food, Drug, and Cosmetics Act and is safe to use as per directions on container, box or accompanying literature (where applicable).

SAFETY DATA SHEET

Malibu Wellness, Inc. encourages and expects you to read and understand the SDS, as there is important information throughout this document. We expect you to follow the precaution identified in this document.

SECTION 1 - CHEMICAL SUBSTANCE/PRODUCT AND COMPANY IDENTIFICATION

- **Finished Product Name:** Malibu C® CUR8 Hand Sanitizer
- **SKU:** 59800, 59825, 34114, 34118, 34164, 34128

- **Company Identification:** Malibu Wellness, Inc.
6050 E. Hanna Avenue, Indianapolis, In 46203
- **Contact:** Consumer Relations at 1-800-622-7332

- **In case of medical emergencies, please contact your local poison control center.**
- **Transportation emergency (24 hour), contact:**

CHEMTREC - Phone # 1-800-424-9300 (U.S. and Canada) or 011-703-527-3887 (for calls originating elsewhere).

- **DATE** 4-08-2020

SECTION 2 - HAZARDS IDENTIFICATION

EMERGENCY OVERVIEW:

Signal Word: WARNING

Hazard Statement: Flammable liquid and vapor

This personal care product is safe for consumers and other users when used as directed and intended. Additional information re: any specific toxicological issues are available upon written request.

POTENTIAL HEALTH EFFECTS:

- **Eye:**

Contact may cause mild, transient irritation. Some redness and/or stinging may occur. Immediately flush with cool water for at least 20 minutes. Seek medical attention if irritation persists.

- **Skin:**

Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient. Seek medical attention if irritation occurs and/or persists.

- **Inhalation:**

Move victim to fresh air. Seek medical attention immediately.

- **Ingestion:**

Do NOT induce vomiting. Drink cool water. Call a physician or poison control center. Never give anything by mouth to an unconscious person.

SECTION 3 - COMPOSITION AND INGREDIENTS

The complete ingredient list for the finished product(s) is as follows:

Water/Aqua/Eau, Ethyl Alcohol, Glycerin, Tocopheryl Acetate (Vitamin E), Aloe Barbadensis Leaf Juice, Carbomer, Propylene Glycol, Triethanolamine

The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

SECTION 4 - FIRST AID MEASURES

- **Eye:**

Immediately flush with cool water for at least 20 minutes. Seek medical attention if irritation persists.

- **Skin Problem:**

Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

- **Inhalation:**

If respiratory irritation occurs, remove individual to fresh air. Consult a physician if irritation persists.

- **Ingestion:**

Do NOT induce vomiting. Drink cool water. Call a physician or poison control center. Never give anything by mouth to an unconscious person.

SECTION 5 - FIRE FIGHTING MEASURES

- **Flash Point:** 26°C closed cup.

- **Extinguishing Media:** Use extinguishing measures appropriate to local circumstances and surrounding environment.

- **Specific Hazard:** Flammable liquid.

- **Fire Fighting Instructions:** Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives. Thermal degradation may also produce oxides of silicone.

SECTION 6- ACCIDENTAL RELEASE MEASURES

- **Personal Precautions:** Floor will become slippery. Keep Personnel from entering spill area.

- **Environmental Precautions:** Avoid runoff into storm sewers, ditches and waterways.
- **Methods of containments:** Eliminate all ignition sources if safe to do so. Contain spill with an inert absorbent material, (Sand, Earth, and Vermiculite) and place in container for disposal according to local and national regulations.
- **Methods for Cleanup:** Flush away traces with water and clean with mop or rags.

SECTION 7 - HANDLING AND STORAGE

- **Handling:** Use with adequate ventilation. Avoid breathing vapors, spray, or mist.
- **Storage:** Keep away from heat and sources of ignition. Store in a cool dry place. Keep partially used containers closed and away from heat and humidity. Do not exceed storage temperature of (38 °C) 100°F. Keep out of reach of children.

SECTION 8 - EXPOSURE CONTROLS, PERSONAL PROTECTION

Engineering Controls: Good general ventilation should be sufficient.

Eye Protection: Not required. Safety glasses are recommended but not required.

Skin Protection: Not required

SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

- | | |
|--|---|
| • Color, Odor and Appearance: Clear to off white gel, | • Melting Point: Not applicable. |
| • Physical State: Liquid | • Boiling Point: Not applicable |
| • pH: 5.00 – 8.00 | • Solubility in Water: Soluble. |
| • Flashpoint: 26°C. | • Specific Gravity: 0.80 – 1.20 |
| • Vapor Density: Not applicable. | |

SECTION 10 - STABILITY AND REACTIVITY

- **Conditions to Avoid:** Extreme heat, flames, and sparks.
- **Other Recommendations:** None.

SECTION 11 - TOXICOLOGICAL INFORMATION

Likely route of Exposure: Inhalation, eye contact and skin contact:

Potential health effects:

Eyes: Causes eye irritation

Skin: Health injuries are not known or expected under normal use.

Inhalation: may cause allergic respiratory reaction.

Chronic Exposure: Health injuries are not known or expected under normal use.

SECTION 12 - ECOLOGICAL INFORMATION

Ecotoxicity: Not determined.

Biodegradability: Not determined.

Bioaccumulation: Not determined.

SECTION 13 - DISPOSAL CONSIDERATIONS

Disposal should be in accordance with Federal, State/Provincial and Local regulations.

SECTION 14 - TRANSPORT INFORMATION

Finished packaged product transported by ground (DOT): UN 1170, Ethanol Solutions, 3, III

Finished packaged product transported by vessel (IMDG): UN 1170, Ethanol Solutions, 3, III

Finished packaged product transported by air (IATA): Consult IATA regulations regarding limited quantities

SECTION 15 - ADDITIONAL REGULATORY INFORMATION

TCA Inventory: All components

CERCLA reportable quantity (RQ):

To the best of our knowledge, no CERCLA Reportable quantity has been established for this product.

SARA 313/302/304/311/312 chemicals:

Immediate (Acute) Health Hazard: Yes

Delayed (Chronic) Health Hazard: No

Fire Hazard: Yes

Reactive Hazard: No

US States

CA Prop 65:

This product is not subject to warning labeling under California Proposition 65.

State Right-to-Know:

Pennsylvania (Worker Right to know Act): Pennsylvania Special Hazardous Substance list.

To the best of our knowledge, this product does not contain chemicals at levels which require reporting under this statute.

SECTION 16 - OTHER INFORMATION

DISCLAIMER: This SDS is intended to provide a brief summary of our knowledge and guidance regarding the use of this material. The information contained here has been compiled from various technical publications to be dependable and is accurate to the best of the Company's knowledge. It is not meant to be an all-inclusive document on worldwide hazard communication regulations.

This information is offered in good faith. Each user of this material needs to evaluate the conditions of use and design the appropriate protective mechanisms to prevent un intended exposures, property damage or release to the environment. In no event shall Malibu Wellness, Inc. be liable for any claims, losses, or damages of any individual or for lost profits or any special, indirect, incidental, consequential or exemplary damages, howsoever arising, even if Malibu Wellness, Inc. has been advised of the possibility of such damages. We reserve the right to update an SDS from time to time as new information becomes available. It is the responsibility of the user to verify that they have the latest revision available.

SAFETY DATA SHEET

Malibu Wellness, Inc. encourages and expects you to read and understand the SDS, as there is important information throughout this document. We expect you to follow the precaution identified in this document.

SECTION 1 - CHEMICAL SUBSTANCE/PRODUCT AND COMPANY IDENTIFICATION

- **Finished Product Name:** Malibu C® Curl Wellness Shampoo
- **Item #:** 22809
- **UPC:** 757088228092

SECTION 2 - HAZARDS IDENTIFICATION

EMERGENCY OVERVIEW:

This personal care product is safe for consumers and other users when used as directed and intended. Additional information re: any specific toxicological issues are available upon written request.

POTENTIAL HEALTH EFFECTS:

- **Eye:**

Contact may cause mild, transient irritation. Some redness and/or stinging may occur.

- **Skin:**

Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient.

- **Inhalation:**

Not expected to be irritating to the respiratory system. Not volatile therefore limited inhalation exposure anticipated.

- **Ingestion:**

Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.

SECTION 3 - COMPOSITION AND INGREDIENTS

The complete ingredient list for the finished product(s) is as follows:

Water\Aqua\Eau, Disodium Laureth Sulfosuccinate, Cocamidopropyl Betaine, Sodium Lauroyl Sarcosinate, PEG-150 Distearate, Sodium Cocoyl Isethionate, Phenoxyethanol, Tocopherol, Glycol Distearate, Fragrance\Parfum, Glycerin, Potassium Sorbate, Butylene Glycol, PEG-120 Methyl Glucose Dioleate, Disodium EDTA, Panthenol, Citric Acid, Cocos Nucifera Oil, Polyquaternium-7, Linalool, Hexyl Cinnamal, Benzyl Salicylate, Sodium Benzoate, Sodium Ascorbate.

The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

SECTION 4 - FIRST AID MEASURES

- **Eye:**

Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, contact a physician.

- **Skin Problem:**

Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

- **Inhalation:**

If respiratory irritation occurs, remove individual to fresh air. Consult a physician if irritation persists.

- **Ingestion:**

Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting. Note: After first aid treatment, the caller should be advised that 1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary in the judgment of the caller, and 2) that the subsequent management of the accident should be dictated by any persistent symptoms and under the direction of the physician.

SECTION 5 - FIRE FIGHTING MEASURES

- **Flash Point:** Not applicable.

- **Extinguishing Media:** Use chemical foam, dry chemical, carbon dioxide or water.

- **Explosion Hazard:** No applicable information has been found.

- **Fire Fighting Instructions:** Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives. Thermal degradation may also produce oxides of silicone.

SECTION 6- ACCIDENTAL RELEASE MEASURES

- **Procedures for Spill/Leak Clean-up:**

For Household Settings: Absorb liquid and scrub the area with detergent. Dilute with water.

For Non-Household Settings: Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact.

SECTION 7 - HANDLING AND STORAGE

- **Precautions for Safe Handling:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Conditions for Safe Storage:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Other Recommendations:** None.

SECTION 8 - EXPOSURE CONTROLS, PERSONAL PROTECTION

- **For Household Settings:**

This personal care product is safe for consumers and other users under normal and reasonably foreseen use.

- **For Non-Household Settings:**

Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact. Always follow good hygienic work practices. Avoid prolonged contact with skin and clothing.

SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

- | | |
|--|---|
| • Color, Odor and Appearance: White to yellow viscous liquid, fruity floral fragrance | • Melting Point: Not applicable. |
| • Physical State: Liquid | • Boiling Point: Not applicable |
| • pH: 3.50-7.00 | • Solubility in Water: soluble. |
| • Flashpoint: Not applicable. | • % VOC: 0% VOC |
| • Vapor Density: Not applicable. | • Specific Gravity: 0.80-1.20 |

SECTION 10 - STABILITY AND REACTIVITY

- **Conditions to Avoid:** No applicable information has been found.
- **Other Recommendations:** None.

SECTION 11 - TOXICOLOGICAL INFORMATION

This personal care product is safe for consumers and other users under intended and reasonably foreseeable use. Additional information regarding toxicological issues is available from the supplier upon request.

Chronic Effects: Finished product is not expected to have chronic health effects.

Target Organs: No adverse health effects on target organs expected for finished product.

Carcinogenicity: Finished product is not expected to be carcinogenic.

NTP: No **IARC:** No **OSHA:** No

SECTION 12 - ECOLOGICAL INFORMATION

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier on request.

SECTION 13 - DISPOSAL CONSIDERATIONS

Disposal should be in accordance with Federal, State/Provincial and Local regulations.

For Household Settings: The following instructions are for consumer usage only. Do not discharge product into natural waters without adequate dilution.

For Non-Household Settings: Products covered by this SDS, in their original form, when disposed as waste, are considered non-hazardous waste according to Federal RCRA regulations (40 CFR 261). Disposal should be in accordance with local, state and federal regulations.

California Waste Code: 331

SECTION 14 - TRANSPORT INFORMATION

Finished packaged product transported by ground (DOT): Non hazardous

Finished packaged product transported by vessel (IMDG): Non hazardous

Finished packaged product transported by air (IATA): Non hazardous

SECTION 15 - ADDITIONAL REGULATORY INFORMATION

EU DPD (Dangerous Products Directive) Classification (DPD 88/379/EEC).

Regulated as a Cosmetic and/or Drug under FDA (US), HPB (Canada), Cosmetic Directive (EU), MHW (Japan) and MOH (China).

While the finished product(s) is not considered hazardous as defined in 29 CFR 1910.1200 (d), this SDS contains valuable information critical to the safe handling and proper use of the product.

US Federal

The product described in this Safety Data Sheet is regulated under the Federal Food, Drug, and Cosmetics Act and is safe to use as per directions on container, box or accompanying literature (where applicable).

CERCLA reportable quantity (RQ):

To the best of our knowledge, no CERCLA Reportable quantity has been established for this product.

SECTION 2 - HAZARDS IDENTIFICATION

EMERGENCY OVERVIEW:

This personal care product is safe for consumers and other users when used as directed and intended. Additional information re: any specific toxicological issues are available upon written request.

POTENTIAL HEALTH EFFECTS:

- **Eye:**

Contact may cause mild, transient irritation. Some redness and/or stinging may occur.

- **Skin:**

Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient.

- **Inhalation:**

Not expected to be irritating to the respiratory system. Not volatile therefore limited inhalation exposure anticipated.

- **Ingestion:**

Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.

SECTION 3 - COMPOSITION AND INGREDIENTS

The complete ingredient list for the finished product(s) is as follows:

Water\Aqua\Eau, Olea Europaea Fruit Oil, Cetearyl Alcohol, Cetyl Alcohol, Butyrospermum Parkii Butter, Glycerin, Polyquaternium-55, Stearalkonium Chloride, Silicone Quaternium-17, Isopropyl Myristate, Phenoxyethanol, Butylene Glycol, Cetrimonium Chloride, Behentrimonium Chloride, Propylene Glycol, Fragrance\Parfum, Polyquaternium-37, Lactic Acid, Potassium Sorbate, Citric Acid, Polyquaternium-7, Sodium Benzoate, Linalool, Hexyl Cinnamal, Benzyl Salicylate, Sodium Ascorbate.

The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

SECTION 4 - FIRST AID MEASURES

- **Eye:**

Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, contact a physician.

- **Skin Problem:**

Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

- **Inhalation:**

If respiratory irritation occurs, remove individual to fresh air. Consult a physician if irritation persists.

- **Ingestion:**

Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting. Note: After first aid treatment, the caller should be advised that 1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary in the judgment of the caller, and 2) that the subsequent management of the accident should be dictated by any persistent symptoms and under the direction of the physician.

SECTION 5 - FIRE FIGHTING MEASURES

- **Flash Point:** Not applicable.

- **Extinguishing Media:** Use chemical foam, dry chemical, carbon dioxide or water.

- **Explosion Hazard:** No applicable information has been found.

- **Fire Fighting Instructions:** Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives. Thermal degradation may also produce oxides of silicone.

SECTION 6- ACCIDENTAL RELEASE MEASURES

- **Procedures for Spill/Leak Clean-up:**

For Household Settings: Absorb liquid and scrub the area with detergent. Dilute with water.

For Non-Household Settings: Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact.

SECTION 7 - HANDLING AND STORAGE

- **Precautions for Safe Handling:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Conditions for Safe Storage:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Other Recommendations:** None.

SECTION 8 - EXPOSURE CONTROLS, PERSONAL PROTECTION

- **For Household Settings:**

This personal care product is safe for consumers and other users under normal and reasonably foreseen use.

- **For Non-Household Settings:**

Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact. Always follow good hygienic work practices. Avoid prolonged contact with skin and clothing.

SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

- | | |
|--|---|
| • Color, Odor and Appearance: White to yellow viscous liquid, fruity floral fragrance | • Melting Point: Not applicable. |
| • Physical State: Liquid | • Boiling Point: Not applicable |
| • pH: 3.50-7.00 | • Solubility in Water: soluble. |
| • Flashpoint: Not applicable. | • % VOC: 0% VOC |
| • Vapor Density: Not applicable. | • Specific Gravity: 0.80-1.20 |

SECTION 10 - STABILITY AND REACTIVITY

- **Conditions to Avoid:** No applicable information has been found.
- **Other Recommendations:** None.

SECTION 11 - TOXICOLOGICAL INFORMATION

This personal care product is safe for consumers and other users under intended and reasonably foreseeable use. Additional information regarding toxicological issues is available from the supplier upon request.

Chronic Effects: Finished product is not expected to have chronic health effects.

Target Organs: No adverse health effects on target organs expected for finished product.

Carcinogenicity: Finished product is not expected to be carcinogenic.

NTP: No **IARC:** No **OSHA:** No

SECTION 12 - ECOLOGICAL INFORMATION

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier on request.

SECTION 13 - DISPOSAL CONSIDERATIONS

Disposal should be in accordance with Federal, State/Provincial and Local regulations.

For Household Settings: The following instructions are for consumer usage only. Do not discharge product into natural waters without adequate dilution.

For Non-Household Settings: Products covered by this SDS, in their original form, when disposed as waste, are considered non-hazardous waste according to Federal RCRA regulations (40 CFR 261). Disposal should be in accordance with local, state and federal regulations.

California Waste Code: 331

SECTION 14 - TRANSPORT INFORMATION

Finished packaged product transported by ground (DOT): Non hazardous

Finished packaged product transported by vessel (IMDG): Non hazardous

Finished packaged product transported by air (IATA): Non hazardous

SECTION 15 - ADDITIONAL REGULATORY INFORMATION

EU DPD (Dangerous Products Directive) Classification (DPD 88/379/EEC).

Regulated as a Cosmetic and/or Drug under FDA (US), HPB (Canada), Cosmetic Directive (EU), MHW (Japan) and MOH (China).

While the finished product(s) is not considered hazardous as defined in 29 CFR 1910.1200 (d), this SDS contains valuable information critical to the safe handling and proper use of the product.

US Federal

The product described in this Safety Data Sheet is regulated under the Federal Food, Drug, and Cosmetics Act and is safe to use as per directions on container, box or accompanying literature (where applicable).

CERCLA reportable quantity (RQ):

To the best of our knowledge, no CERCLA Reportable quantity has been established for this product.

SARA 313/302/304/311/312 chemicals:

Immediate (Acute) Health Hazard: No

Delayed (Chronic) Health Hazard: No

Fire Hazard: No

Reactive Hazard: No

Sudden Release of Pressure Hazard: No

Section 313: To the best of our knowledge, this product does not contain chemicals at levels which require reporting under this statute.

Canada

All ingredients are CEPA approved for import to Canada. This product has been registered in accordance with the hazard criteria of the Canadian Controlled Product Regulations (CPR) and this SDS contains all information required by the CPR.

US States

CA Prop 65:

This product is not subject to warning labeling under California Proposition 65.

State Right-to-Know:

Pennsylvania (Worker Right to know Act): Pennsylvania Special Hazardous Substance list.

To the best of our knowledge, this product does not contain chemicals at levels which require reporting under this statute.

Other

Perfumes contained within the products covered by this SDS comply with appropriate IFRA guidance.

SECTION 16 - OTHER INFORMATION

DISCLAIMER: This SDS is intended to provide a brief summary of our knowledge and guidance regarding the use of this material. The information contained here has been compiled from sources considered by Procter & Gamble to be dependable and is accurate to the best of the Company's knowledge. It is not meant to be an all-inclusive document on worldwide hazard communication regulations.

This information is offered in good faith. Each user of this material needs to evaluate the conditions of use and design the appropriate protective mechanisms to prevent employee

exposures, property damage or release to the environment. Malibu Wellness, INC. assumed no responsibility for injury to the recipient or third persons, or for any damage to any property resulting from misuse of the product.

SAFETY DATA SHEET

Malibu Wellness, Inc. encourages and expects you to read and understand the SDS, as there is important information throughout this document. We expect you to follow the precaution identified in this document.

SECTION 1 - CHEMICAL SUBSTANCE/PRODUCT AND COMPANY IDENTIFICATION	
<ul style="list-style-type: none"> • Finished Product Name: Malibu C® DDL Direct Dye Lifter XL • SKU: 757088590809 	
<ul style="list-style-type: none"> • Company Identification: Malibu Wellness, Inc. 6050 E. Hanna Avenue, Indianapolis, In 46203 • Contact: Consumer Relations at 1-800-622-7332 	
<ul style="list-style-type: none"> • In case of medical emergencies, please contact your local poison control center. • Transportation emergency (24 hour), contact: <p>CHEMTREC - Phone # 1-800-424-9300 (U.S. and Canada) or 011-703-527-3887 (for calls originating elsewhere).</p>	
<ul style="list-style-type: none"> • DATE: 5-17-2021 	

SECTION 2 - HAZARDS IDENTIFICATION	
EMERGENCY OVERVIEW:	
This personal care product is safe for consumers and other users when used as directed and intended. Additional information re: any specific toxicological issues are available upon written request.	
POTENTIAL HEALTH EFFECTS:	
<ul style="list-style-type: none"> • Eye: 	Contact may cause mild, transient irritation. Some redness and/or stinging may occur.
<ul style="list-style-type: none"> • Skin: 	Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient.
<ul style="list-style-type: none"> • Inhalation: 	Not expected to be irritating to the respiratory system. Not volatile therefore limited inhalation exposure anticipated.
<ul style="list-style-type: none"> • Ingestion: 	Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.

SECTION 3 - COMPOSITION AND INGREDIENTS

The complete ingredient list for the finished product(s) is as follows:

Ammonium Persulfate, Bentonite, Sodium Metasilicate, Xanthan Gum, Sodium Persulfate, Disodium EDTA, Sodium Cocoyl Isethionate, Sodium Carbonate, Potassium Persulfate, Polyquaternium-10

The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

SECTION 4 - FIRST AID MEASURES

- **Eye:**

Rinse thoroughly with plenty of water for at least 15 minutes, lifting lower and upper eyelids intermittently. Consult a physician. In case of contact, immediately flush eyes with plenty of water. If symptoms persist, call a physician.

- **Skin Problem:**

Wash off immediately with soap and plenty of water while removing all contaminated clothes and shoes. Get medical attention if irritation develops and persists.

- **Inhalation:**

If respiratory irritation occurs, Remove from exposure, lie down. If breathing is irregular or stopped, administer artificial respiration. Call a physician immediately.

- **Ingestion:**

Accidental ingestion of product may necessitate medical attention. Do NOT induce vomiting. Call a physician or poison control center immediately. Rinse mouth. Drink 1 or 2 glasses of water.

SECTION 5 - FIRE FIGHTING MEASURES

- **Flash Point:** Not Flammable.

- **Extinguishing Media:** Water. Cool containers with flooding quantities of water until well after fire is out.

- **Explosion Hazard:** Decomposes under fire conditions to release oxygen that intensifies the fire.

- **Fire Fighting Instructions:** Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives. Thermal degradation may also produce oxides of silicone.

SECTION 6- ACCIDENTAL RELEASE MEASURES

- **Procedures for Spill/Leak Clean-up:**

For Household Settings: Absorb liquid and scrub the area with detergent. Dilute with water.

For Non-Household Settings: Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact.

SECTION 7 - HANDLING AND STORAGE

- **Precautions for Safe Handling:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Conditions for Safe Storage:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Other Recommendations:** None.

SECTION 8 - EXPOSURE CONTROLS, PERSONAL PROTECTION

- **For Household Settings:**

This personal care product is safe for consumers and other users under normal and reasonably foreseen use.

- **For Non-Household Settings:**

Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact. Always follow good hygienic work practices. Avoid prolonged contact with skin and clothing.

SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

- | | |
|--|---|
| • Color, Odor and Appearance: Grey to Brown crystalline solid | • Melting Point: Not applicable. |
| • Physical State: solid | • Boiling Point: Not applicable |
| • pH (1% Solution): 9.5-11.4 | • Solubility in Water: soluble. |
| • Flashpoint: Not applicable. | • % VOC: 0% VOC |
| • Vapor Density: Not applicable. | • Specific Gravity: 0.90-1.09 |

SECTION 10 - STABILITY AND REACTIVITY

- **Conditions to Avoid:** No applicable information has been found.
- **Other Recommendations:** None.

SECTION 11 - TOXICOLOGICAL INFORMATION

This personal care product is safe for consumers and other users under intended and reasonably foreseeable use. Additional information regarding toxicological issues is available from the supplier upon request.

Chronic Effects: Finished product is not expected to have chronic health effects.

Target Organs: No adverse health effects on target organs expected for finished product.

Carcinogenicity: Finished product is not expected to be carcinogenic.

NTP: No **IARC:** No **OSHA:** No

SECTION 12 - ECOLOGICAL INFORMATION

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier on request.

SECTION 13 - DISPOSAL CONSIDERATIONS

Disposal should be in accordance with Federal, State/Provincial and Local regulations.

For Household Settings: The following instructions are for consumer usage only. Do not discharge product into natural waters without adequate dilution.

For Non-Household Settings: Products covered by this SDS, in their original form, when disposed as waste, are considered non-hazardous waste according to Federal RCRA regulations (40 CFR 261). Disposal should be in accordance with local, state and federal regulations.

California Waste Code: 331

SECTION 14 - TRANSPORT INFORMATION

Finished packaged product transported by ground (DOT): Non hazardous

Finished packaged product transported by vessel (IMDG): Non hazardous

Finished packaged product transported by air (IATA): Non hazardous

SECTION 15 - ADDITIONAL REGULATORY INFORMATION

EU DPD (Dangerous Products Directive) Classification (DPD 88/379/EEC).

Regulated as a Cosmetic and/or Drug under FDA (US), HPB (Canada), Cosmetic Directive (EU), MHW (Japan) and MOH (China).

While the finished product(s) is not considered hazardous as defined in 29 CFR 1910.1200 (d), this SDS contains valuable information critical to the safe handling and proper use of the product.

US Federal

The product described in this Material Safety Data Sheet is regulated under the Federal Food, Drug, and Cosmetics Act and is safe to use as per directions on container, box or accompanying literature (where applicable).

CERCLA reportable quantity (RQ):

To the best of our knowledge, no CERCLA Reportable quantity has been established for this product.

SAFETY DATA SHEET

Malibu Wellness, Inc. encourages and expects you to read and understand the SDS, as there is important information throughout this document. We expect you to follow the precaution identified in this document.

SECTION 1 - CHEMICAL SUBSTANCE/PRODUCT AND COMPANY IDENTIFICATION

- **Finished Product Name:** Malibu C[®] De-Ox
- **SKU:** 59110
- **UPC Number:** 757088591103

- **Company Identification:** Malibu Wellness, Inc.
6050 E. Hanna Avenue, Indianapolis, In 46203
- **Contact:** Consumer Relations at 1-800-622-7332

- **In case of medical emergencies, please contact your local poison control center.**
- **Transportation emergency (24 hour), contact:**

CHEMTREC - Phone # 1-800-424-9300 (U.S. and Canada) or 011-703-527-3887 (for calls originating elsewhere).

- **DATE:** 10-24-2019

SECTION 2 - HAZARDS IDENTIFICATION

EMERGENCY OVERVIEW:

This personal care product is safe for consumers and other users when used as directed and intended.. Additional information re: any specific toxicological issues are available upon written request.

POTENTIAL HEALTH EFFECTS:

- **Eye:**

Contact may cause mild, transient irritation. Some redness and/or stinging may occur.

- **Skin:**

Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient.

- **Inhalation:**

Not expected to be irritating to the respiratory system. Not volatile therefore limited inhalation exposure anticipated.

- **Ingestion:**

Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.

SECTION 3 - COMPOSITION AND INGREDIENTS

The complete ingredient list for the finished product(s) is as follows:

Ascorbic Acid, Sodium Citrate, Citric Acid, Xanthan Gum, Potassium Sorbate, Sodium Metabisulfite, Polyquaternium-37.

The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

SECTION 4 - FIRST AID MEASURES

- **Eye:**

Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, contact a physician.

- **Skin Problem:**

Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

- **Inhalation:**

If respiratory irritation occurs, remove individual to fresh air. Consult a physician if irritation persists.

- **Ingestion:**

Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting. Note: After first aid treatment, the caller should be advised that 1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary in the judgment of the caller, and 2) that the subsequent management of the accident should be dictated by any persistent symptoms and under the direction of the physician.

SECTION 5 - FIRE FIGHTING MEASURES

- **Flash Point:** Not applicable.

- **Extinguishing Media:** Use chemical foam, dry chemical, carbon dioxide or water.

- **Explosion Hazard:** No applicable information has been found.

- **Fire Fighting Instructions:** Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives. Thermal degradation may also produce oxides of silicone.

SECTION 6- ACCIDENTAL RELEASE MEASURES

- **Procedures for Spill/Leak Clean-up:**

For Household Settings: Absorb liquid and scrub the area with detergent. Dilute with water.

For Non-Household Settings: Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact.

SECTION 7 - HANDLING AND STORAGE

- **Precautions for Safe Handling:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Conditions for Safe Storage:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Other Recommendations:** None.

SECTION 8 - EXPOSURE CONTROLS, PERSONAL PROTECTION

- **For Household Settings:**

This personal care product is safe for consumers and other users under normal and reasonably foreseen use.

- **For Non-Household Settings:**

Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact. Always follow good hygienic work practices. Avoid prolonged contact with skin and clothing.

SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

- | | |
|---|---|
| • Color, Odor and Appearance: White to Yellow crystalline powder | • Melting Point: Not applicable. |
| • Physical State: Powder | • Boiling Point: Decomposes |
| • pH (2.45% in water): 3.5-7.0 | • Solubility in Water: soluble |
| • Flashpoint: Not applicable. | • % VOC: 0% VOC |

CHEMTREC - Phone # 1-800-424-9300 (U.S. and Canada) or 011-703-527-3887 (for calls originating elsewhere).

- **DATE:** 10-24-2019

SECTION 2 - HAZARDS IDENTIFICATION

EMERGENCY OVERVIEW:

This personal care product is safe for consumers and other users when used as directed and intended.. Additional information re: any specific toxicological issues are available upon written request.

POTENTIAL HEALTH EFFECTS:

- **Eye:**

Contact may cause mild, transient irritation. Some redness and/or stinging may occur.

- **Skin:**

Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient.

- **Inhalation:**

Not expected to be irritating to the respiratory system. Not volatile therefore limited inhalation exposure anticipated.

- **Ingestion:**

Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.

SECTION 3 - COMPOSITION AND INGREDIENTS

The complete ingredient list for the finished product(s) is as follows:

Glucose, Ascorbic Acid, Sodium Gluconate, Sodium Cocoyl Isethionate, Disodium EDTA, Citric Acid, Xanthan Gum, Betaine.

The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

SECTION 4 - FIRST AID MEASURES

- **Eye:**

Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, contact a physician.

- **Skin Problem:**

Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

- **Inhalation:**

If respiratory irritation occurs, remove individual to fresh air. Consult a physician if irritation persists.

- **Ingestion:**

Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting. Note: After first aid treatment, the caller should be advised that 1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary in the judgment of the caller, and 2) that the subsequent management of the accident should be dictated by any persistent symptoms and under the direction of the physician.

SECTION 5 - FIRE FIGHTING MEASURES

- **Flash Point:** Not applicable.

- **Extinguishing Media:** Use chemical foam, dry chemical, carbon dioxide or water.

- **Explosion Hazard:** No applicable information has been found.

- **Fire Fighting Instructions:** Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives. Thermal degradation may also produce oxides of silicone.

SECTION 6- ACCIDENTAL RELEASE MEASURES

- **Procedures for Spill/Leak Clean-up:**

For Household Settings: Absorb liquid and scrub the area with detergent. Dilute with water.

For Non-Household Settings: Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc.) to prevent skin contact.

SECTION 7 - HANDLING AND STORAGE

- **Precautions for Safe Handling:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Conditions for Safe Storage:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Other Recommendations:** None.

SECTION 8 - EXPOSURE CONTROLS, PERSONAL PROTECTION

- **For Household Settings:**

This personal care product is safe for consumers and other users under normal and reasonably foreseen use.

- **For Non-Household Settings:**

Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact. Always follow good hygienic work practices. Avoid prolonged contact with skin and clothing.

SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

- **Conditions to Avoid:** No applicable information has been found.
- **Other Recommendations:** None.

SECTION 11 - TOXICOLOGICAL INFORMATION

This personal care product is safe for consumers and other users under intended and reasonably foreseeable use. Additional information regarding toxicological issues is available from the supplier upon request.

Chronic Effects: Finished product is not expected to have chronic health effects.

Target Organs: No adverse health effects on target organs expected for finished product.

Carcinogenicity: Finished product is not expected to be carcinogenic.

NTP: No **IARC:** No **OSHA:** No

SECTION 12 - ECOLOGICAL INFORMATION

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier on request.

SECTION 13 - DISPOSAL CONSIDERATIONS

Disposal should be in accordance with Federal, State/Provincial and Local regulations.

For Household Settings: The following instructions are for consumer usage only. Do not discharge product into natural waters without adequate dilution.

For Non-Household Settings: Products covered by this SDS, in their original form, when disposed as waste, are considered non-hazardous waste according to Federal RCRA regulations (40 CFR 261). Disposal should be in accordance with local, state and federal regulations.

California Waste Code: 331

SECTION 14 - TRANSPORT INFORMATION

Finished packaged product transported by ground (DOT): Non hazardous

Finished packaged product transported by vessel (IMDG): Non hazardous

Finished packaged product transported by air (IATA): Non hazardous

SECTION 15 - ADDITIONAL REGULATORY INFORMATION

EU DPD (Dangerous Products Directive) Classification (DPD 88/379/EEC).

Regulated as a Cosmetic and/or Drug under FDA (US), HPB (Canada), Cosmetic Directive (EU), MHW (Japan) and MOH (China).

While the finished product(s) is not considered hazardous as defined in 29 CFR 1910.1200 (d), this SDS contains valuable information critical to the safe handling and proper use of the product.

US Federal

The product described in this Safety Data Sheet is regulated under the Federal Food, Drug, and Cosmetics Act and is safe to use as per directions on container, box or accompanying literature (where applicable).

CERCLA reportable quantity (RQ):

To the best of our knowledge, no CERCLA Reportable quantity has been established for this product.

SARA 313/302/304/311/312 chemicals:

Immediate (Acute) Health Hazard: No

Delayed (Chronic) Health Hazard: No

Fire Hazard: No

Reactive Hazard: No

Sudden Release of Pressure Hazard: No

Section 313: To the best of our knowledge, this product does not contain chemicals at levels which require reporting under this statute.

Canada

All ingredients are CEPA approved for import to Canada. This product has been registered in accordance with the hazard criteria of the Canadian Controlled Product Regulations (CPR) and this SDS contains all information required by the CPR.

US States

CA Prop 65:

This product is not subject to warning labeling under California Proposition 65.

State Right-to-Know:

The following ingredients are present in the finished product and are listed on the following state right-to-know lists:

Pennsylvania (Worker Right to know Act): Pennsylvania Special Hazardous Substance list.

To the best of our knowledge, this product does not contain chemicals at levels which require reporting under this statute.

Other

Perfumes contained within the products covered by this SDS comply with appropriate IFRA guidance.

SECTION 16 - OTHER INFORMATION

DISCLAIMER: This SDS is intended to provide a brief summary of our knowledge and guidance regarding the use of this material. The information contained here has been compiled from sources considered by Procter & Gamble to be dependable and is accurate to the best of the Company's knowledge. It is not meant to be an all-inclusive document on worldwide hazard communication regulations.

This information is offered in good faith. Each user of this material needs to evaluate the conditions of use and design the appropriate protective mechanisms to prevent employee exposures, property damage or release to the environment. Malibu Wellness, INC. assumed no responsibility for injury to the recipient or third persons, or for any damage to any property resulting from misuse of the product.

SAFETY DATA SHEET

Malibu Wellness, Inc. encourages and expects you to read and understand the SDS, as there is important information throughout this document. We expect you to follow the precaution identified in this document.

SECTION 1 - CHEMICAL SUBSTANCE/PRODUCT AND COMPANY IDENTIFICATION

- **Finished Product Name:** Malibu C® Hard Water Wellness Shampoo
- **SKU:** (757088220096), (757088221345)

- **Company Identification:** Malibu Wellness, Inc.
6050 E. Hanna Avenue, Indianapolis, In 46203
- **Contact:** Consumer Relations at 1-800-622-7332

- **In case of medical emergencies, please contact your local poison control center.**
- **Transportation emergency (24 hour), contact:**

CHEMTREC - Phone # 1-800-424-9300 (U.S. and Canada) or 011-703-527-3887 (for calls originating elsewhere).

- **DATE:** 10-24-2019

SECTION 2 - HAZARDS IDENTIFICATION

EMERGENCY OVERVIEW:

This personal care product is safe for consumers and other users when used as directed and intended. Additional information re: any specific toxicological issues are available upon written request.

POTENTIAL HEALTH EFFECTS:

- **Eye:**

Contact may cause mild, transient irritation. Some redness and/or stinging may occur.

- **Skin:**

Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient.

- **Inhalation:**

Not expected to be irritating to the respiratory system. Not volatile therefore limited inhalation exposure anticipated.

- **Ingestion:**

Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.

SECTION 3 - COMPOSITION AND INGREDIENTS

The complete ingredient list for the finished product(s) is as follows:

Water/Aqua/Eau, Sodium C14-16 Olefin Sulfonate, Cocamide DIPA, Disodium Laureth Sulfosuccinate, Butylene Glycol, Glycerin, Cocamidopropyl Betaine, PEG-120 Methyl Glucose Diolate, Disodium EDTA, Sodium Lauryl Sulfoacetate, Panthenol, Hydrolyzed Rice Protein, PEG-16 Macadamia Glycerides, Polyquaternium 10, Linum Usitatissimum Seed Extract, Sodium Gluconate, Glucose, Citric Acid, Phenoxyethanol, Potassium Sorbate, Fragrance/Parfum, Limonene, Benzyl Benzoate, Linalool.

The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

SECTION 4 - FIRST AID MEASURES

- **Eye:**

Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, contact a physician.

- **Skin Problem:**

Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

- **Inhalation:**

If respiratory irritation occurs, remove individual to fresh air. Consult a physician if irritation persists.

- **Ingestion:**

Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting. Note: After first aid treatment, the caller should be advised that 1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary in the judgment of the caller, and 2) that the subsequent management of the accident should be dictated by any persistent symptoms and under the direction of the physician.

SECTION 5 - FIRE FIGHTING MEASURES

- **Flash Point:** Not applicable.

- **Extinguishing Media:** Use chemical foam, dry chemical, carbon dioxide or water.

- **Explosion Hazard:** No applicable information has been found.

- **Fire Fighting Instructions:** Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives. Thermal degradation may also produce oxides of silicone.

SECTION 6- ACCIDENTAL RELEASE MEASURES

- **Procedures for Spill/Leak Clean-up:**

For Household Settings: Absorb liquid and scrub the area with detergent. Dilute with water.

For Non-Household Settings: Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact.

SECTION 7 - HANDLING AND STORAGE

- **Precautions for Safe Handling:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Conditions for Safe Storage:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Other Recommendations:** None.

SECTION 8 - EXPOSURE CONTROLS, PERSONAL PROTECTION

- **For Household Settings:**

This personal care product is safe for consumers and other users under normal and reasonably foreseen use.

- **For Non-Household Settings:**

Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact. Always follow good hygienic work practices. Avoid prolonged contact with skin and clothing.

SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

- | | |
|--|---|
| • Color, Odor and Appearance: viscous liquid, light fragrance | • Melting Point: Not applicable. |
| • Physical State: Liquid | • Boiling Point: Not applicable |
| • pH: 4.60 -5.60 | • Solubility in Water: soluble. |
| • Flashpoint: Not applicable. | • % VOC: 0% VOC |
| • Vapor Density: Not applicable. | • Specific Gravity: 1.00 - 1.07 |

SECTION 10 - STABILITY AND REACTIVITY

- **Conditions to Avoid:** No applicable information has been found.
- **Other Recommendations:** None.

SECTION 11 - TOXICOLOGICAL INFORMATION

This personal care product is safe for consumers and other users under intended and reasonably foreseeable use. Additional information regarding toxicological issues is available from the supplier upon request.

Chronic Effects: Finished product is not expected to have chronic health effects.

Target Organs: No adverse health effects on target organs expected for finished product.

Carcinogenicity: Finished product is not expected to be carcinogenic.

NTP: No **IARC:** No **OSHA:** No

SECTION 12 - ECOLOGICAL INFORMATION

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier on request.

SECTION 13 - DISPOSAL CONSIDERATIONS

Disposal should be in accordance with Federal, State/Provincial and Local regulations.

For Household Settings: The following instructions are for consumer usage only. Do not discharge product into natural waters without adequate dilution.

For Non-Household Settings: Products covered by this SDS, in their original form, when disposed as waste, are considered non-hazardous waste according to Federal RCRA regulations (40 CFR 261). Disposal should be in accordance with local, state and federal regulations.

California Waste Code: 331

SECTION 14 - TRANSPORT INFORMATION

Finished packaged product transported by ground (DOT): Non hazardous

Finished packaged product transported by vessel (IMDG): Non hazardous

Finished packaged product transported by air (IATA): Non hazardous

SECTION 15 - ADDITIONAL REGULATORY INFORMATION

EU DPD (Dangerous Products Directive) Classification (DPD 88/379/EEC).

Regulated as a Cosmetic and/or Drug under FDA (US), HPB (Canada), Cosmetic Directive (EU), MHW (Japan) and MOH (China).

While the finished product(s) is not considered hazardous as defined in 29 CFR 1910.1200 (d), this SDS contains valuable information critical to the safe handling and proper use of the product.

US Federal

The product described in this Safety Data Sheet is regulated under the Federal Food, Drug, and Cosmetics Act and is safe to use as per directions on container, box or accompanying literature (where applicable).

CERCLA reportable quantity (RQ):

To the best of our knowledge, no CERCLA Reportable quantity has been established for this product.

Perfumes contained within the products covered by this SDS comply with appropriate IFRA guidance.

SECTION 16 - OTHER INFORMATION

DISCLAIMER: This SDS is intended to provide a brief summary of our knowledge and guidance regarding the use of this material. The information contained here has been compiled from sources considered by Procter & Gamble to be dependable and is accurate to the best of the Company's knowledge. It is not meant to be an all-inclusive document on worldwide hazard communication regulations.

This information is offered in good faith. Each user of this material needs to evaluate the conditions of use and design the appropriate protective mechanisms to prevent employee

exposures, property damage or release to the environment. Malibu Wellness, INC. assumed no responsibility for injury to the recipient or third persons, or for any damage to any property resulting from misuse of the product.

SAFETY DATA SHEET

Malibu Wellness, Inc. encourages and expects you to read and understand the SDS, as there is important information throughout this document. We expect you to follow the precaution identified in this document.

SECTION 1 - CHEMICAL SUBSTANCE/PRODUCT AND COMPANY IDENTIFICATION

- **Finished Product Name:** Malibu C® Leave In Conditioner Mist
- **Item #:** 3308,
- **SKU:** 757088033085

- **Company Identification:** Malibu Wellness, Inc.
6050 E. Hanna Avenue, Indianapolis, In 46203
- **Contact:** Consumer Relations at 1-800-622-7332

- **In case of medical emergencies, please contact your local poison control center.**
- **Transportation emergency (24 hour), contact:**

CHEMTREC - Phone # 1-800-424-9300 (U.S. and Canada) or 011-703-527-3887 (for calls originating elsewhere).

- **DATE:** 7-24-2017

SECTION 2 - HAZARDS IDENTIFICATION

EMERGENCY OVERVIEW:

This personal care product is safe for consumers and other users when used as directed and intended.. Additional information re: any specific toxicological issues are available upon written request.

POTENTIAL HEALTH EFFECTS:

- **Eye:**

Contact may cause mild, transient irritation. Some redness and/or stinging may occur.

- **Skin:**

Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient.

- **Inhalation:**

Not expected to be irritating to the respiratory system. Not volatile therefore limited inhalation exposure anticipated.

- **Ingestion:**

Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.

SECTION 3 - COMPOSITION AND INGREDIENTS

The complete ingredient list for the finished product(s) is as follows:

Water/Aqua/Eau, Butylene Glycol, PEG- 12 Dimethicone, Amodimethicone, Glycerin, Benzophenone-4, Tocopherol, Panthenol, Cetrimonium Chloride, Magnesium Ascorbate, Hydrolyzed Rice Protein, Allantoin, Linum Usitatissimum Seed Extract, Citric Acid, Trideceth-12, Polysorbate 20, Phenoxyethanol, Linalool, Citral, Limonene, Fragrance/Parfum.

The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

SECTION 4 - FIRST AID MEASURES

- **Eye:**

Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, contact a physician.

- **Skin Problem:**

Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

- **Inhalation:**

If respiratory irritation occurs, remove individual to fresh air. Consult a physician if irritation persists.

- **Ingestion:**

Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting. Note: After first aid treatment, the caller should be advised that 1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary in the judgment of the caller, and 2) that the subsequent management of the accident should be dictated by any persistent symptoms and under the direction of the physician.

SECTION 5 - FIRE FIGHTING MEASURES

- **Flash Point:** Not applicable.

- **Extinguishing Media:** Use chemical foam, dry chemical, carbon dioxide or water.

- **Explosion Hazard:** No applicable information has been found.

- **Fire Fighting Instructions:** Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives. Thermal degradation may also produce oxides of silicone.

SECTION 6- ACCIDENTAL RELEASE MEASURES

- **Procedures for Spill/Leak Clean-up:**

For Household Settings: Absorb liquid and scrub the area with detergent. Dilute with water.

For Non-Household Settings: Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact.

SECTION 7 - HANDLING AND STORAGE

- **Precautions for Safe Handling:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Conditions for Safe Storage:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Other Recommendations:** None.

SECTION 8 - EXPOSURE CONTROLS, PERSONAL PROTECTION

- **For Household Settings:**

This personal care product is safe for consumers and other users under normal and reasonably foreseen use.

- **For Non-Household Settings:**

Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact. Always follow good hygienic work practices. Avoid prolonged contact with skin and clothing.

SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

- | | |
|---|---|
| • Color, Odor and Appearance: White – Yellow liquid - citrus fragrance | • Melting Point: Not applicable. |
| • Physical State: Liquid | • Boiling Point: >212°F (100°C) |
| • pH: 3.6 – 6.6 | • Solubility in Water: Slightly insoluble. |
| • Flashpoint: Not applicable. | • % VOC: 0% VOC |
| • Vapor Density: Not applicable. | • Specific Gravity: 0.80 - 1.20 |

SECTION 10 - STABILITY AND REACTIVITY

- **Conditions to Avoid:** No applicable information has been found.

- **Other Recommendations:** None.

SECTION 11 - TOXICOLOGICAL INFORMATION

This personal care product is safe for consumers and other users under intended and reasonably foreseeable use. Additional information regarding toxicological issues is available from the supplier upon request.

Chronic Effects: Finished product is not expected to have chronic health effects.

Target Organs: No adverse health effects on target organs expected for finished product.

Carcinogenicity: Finished product is not expected to be carcinogenic.

NTP: No **IARC:** No **OSHA:** No

SECTION 12 - ECOLOGICAL INFORMATION

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier on request.

SECTION 13 - DISPOSAL CONSIDERATIONS

Disposal should be in accordance with Federal, State/Provincial and Local regulations.

For Household Settings: The following instructions are for consumer usage only. Do not discharge product into natural waters without adequate dilution.

For Non-Household Settings: Products covered by this SDS, in their original form, when disposed as waste, are considered non-hazardous waste according to Federal RCRA regulations (40 CFR 261). Disposal should be in accordance with local, state and federal regulations.

California Waste Code: 331

SECTION 14 - TRANSPORT INFORMATION

Finished packaged product transported by ground (DOT): Non hazardous

Finished packaged product transported by vessel (IMDG): Non hazardous

Finished packaged product transported by air (IATA): Non hazardous

SECTION 15 - ADDITIONAL REGULATORY INFORMATION

EU DPD (Dangerous Products Directive) Classification (DPD 88/379/EEC).

Regulated as a Cosmetic and/or Drug under FDA (US), HPB (Canada), Cosmetic Directive (EU), MHW (Japan) and MOH (China).

While the finished product(s) is not considered hazardous as defined in 29 CFR 1910.1200 (d), this SDS contains valuable information critical to the safe handling and proper use of the product.

US Federal

The product described in this Safety Data Sheet is regulated under the Federal Food, Drug, and Cosmetics Act and is safe to use as per directions on container, box or accompanying literature (where applicable).

CERCLA reportable quantity (RQ):

To the best of our knowledge, no CERCLA Reportable quantity has been established for this product.

SARA 313/302/304/311/312 chemicals:

Immediate (Acute) Health Hazard: No

Delayed (Chronic) Health Hazard: No

Fire Hazard: No

Reactive Hazard: No

Sudden Release of Pressure Hazard: No

Section 313: To the best of our knowledge, this product does not contain chemicals at levels which require reporting under this statute.

Canada

All ingredients are CEPA approved for import to Canada. This product has been registered in accordance with the hazard criteria of the Canadian Controlled Product Regulations (CPR) and this SDS contains all information required by the CPR.

US States

CA Prop 65:

This product is not subject to warning labeling under California Proposition 65.

State Right-to-Know:

Pennsylvania (Worker Right to know Act): Pennsylvania Special Hazardous Substance list.

To the best of our knowledge, this product does not contain chemicals at levels which require reporting under this statute.

Other

Perfumes contained within the products covered by this SDS comply with appropriate IFRA guidance.

SECTION 16 - OTHER INFORMATION

DISCLAIMER: This SDS is intended to provide a brief summary of our knowledge and guidance regarding the use of this material. The information contained here has been compiled from sources considered by Procter & Gamble to be dependable and is accurate to the best of the Company's knowledge. It is not meant to be an all-inclusive document on worldwide hazard communication regulations.

Malibu Wellness, INC. assumed no responsibility for injury to the recipient or third persons, or for any damage to any property resulting from misuse of the product.

SAFETY DATA SHEET

Malibu Wellness, Inc. encourages and expects you to read and understand the SDS, as there is important information throughout this document. We expect you to follow the precaution identified in this document.

SECTION 1 - CHEMICAL SUBSTANCE/PRODUCT AND COMPANY IDENTIFICATION

- **Finished Product Name:** Malibu C® Un-Do-Goo Shampoo
- **Item #:** 22409, 22434
- **SKU:** (757088224094, 757088224346, 757088224100, 757088224155)

- **Company Identification:** Malibu Wellness, Inc.
6050 E. Hanna Avenue, Indianapolis, In 46203
- **Contact:** Consumer Relations at 1-800-622-7332

- **In case of medical emergencies, please contact your local poison control center.**
- **Transportation emergency (24 hour), contact:**

CHEMTREC - Phone # 1-800-424-9300 (U.S. and Canada) or 011-703-527-3887 (for calls originating elsewhere).

- **DATE:** 10-25-2019

SECTION 2 - HAZARDS IDENTIFICATION

EMERGENCY OVERVIEW:

This personal care product is safe for consumers and other users when used as directed and intended.. Additional information re: any specific toxicological issues are available upon written request.

POTENTIAL HEALTH EFFECTS:

- **Eye:**

Contact may cause mild, transient irritation. Some redness and/or stinging may occur.

- **Skin:**

Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient.

- **Inhalation:**

Not expected to be irritating to the respiratory system. Not volatile therefore limited inhalation exposure anticipated.

- **Ingestion:**

Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.

SECTION 3 - COMPOSITION AND INGREDIENTS

The complete ingredient list for the finished product(s) is as follows:

Water/Aqua/Eau, Sodium C14-16 Olefin Sulfonate, Cocamidopropyl Betaine, Butylene Glycol, Magnesium Ascorbate, Disodium EDTA, Polyquaternium-10, PEG-120 Methyl Glucose Dioleate, Lauramide MIPA, Poly(C20-28 Olefin), Glycerin, Potassium Sorbate, Phenoxyethanol, Limonene, Potassium Hydroxide, Linalool, Fragrance/Parfum.

The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

SECTION 4 - FIRST AID MEASURES

- **Eye:**

Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, contact a physician.

- **Skin Problem:**

Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

- **Inhalation:**

If respiratory irritation occurs, remove individual to fresh air. Consult a physician if irritation persists.

- **Ingestion:**

Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting. Note: After first aid treatment, the caller should be advised that 1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary in the judgment of the caller, and 2) that the subsequent management of the accident should be dictated by any persistent symptoms and under the direction of the physician.

SECTION 5 - FIRE FIGHTING MEASURES

- **Flash Point:** Not applicable.

- **Extinguishing Media:** Use chemical foam, dry chemical, carbon dioxide or water.

- **Explosion Hazard:** No applicable information has been found.

- **Fire Fighting Instructions:** Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives. Thermal degradation may also produce oxides of silicone.

SECTION 6- ACCIDENTAL RELEASE MEASURES

- **Procedures for Spill/Leak Clean-up:**

For Household Settings: Absorb liquid and scrub the area with detergent. Dilute with water.

For Non-Household Settings: Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact.

SECTION 7 - HANDLING AND STORAGE

- **Precautions for Safe Handling:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Conditions for Safe Storage:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Other Recommendations:** None.

SECTION 8 - EXPOSURE CONTROLS, PERSONAL PROTECTION

- **For Household Settings:**

This personal care product is safe for consumers and other users under normal and reasonably foreseen use.

- **For Non-Household Settings:**

Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact. Always follow good hygienic work practices. Avoid prolonged contact with skin and clothing.

SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

- | | |
|---|---|
| • Color, Odor and Appearance: Light yellow liquid with a tropical citrus fragrance | • Melting Point: Not applicable. |
| • Physical State: Liquid | • Boiling Point: Not applicable |
| • pH: 8.8- 9.8 | • Solubility in Water: soluble. |
| • Flashpoint: Not applicable. | • % VOC: 0% VOC |
| • Vapor Density: Not applicable. | • Specific Gravity: 1.00-1.20 |

SECTION 10 - STABILITY AND REACTIVITY

- **Conditions to Avoid:** No applicable information has been found.
- **Other Recommendations:** None.

SECTION 11 - TOXICOLOGICAL INFORMATION

This personal care product is safe for consumers and other users under intended and reasonably foreseeable use. Additional information regarding toxicological issues is available from the supplier upon request.

Chronic Effects: Finished product is not expected to have chronic health effects.

Target Organs: No adverse health effects on target organs expected for finished product.

Carcinogenicity: Finished product is not expected to be carcinogenic.

NTP: No **IARC:** No **OSHA:** No

SECTION 12 - ECOLOGICAL INFORMATION

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier on request.

SECTION 13 - DISPOSAL CONSIDERATIONS

Disposal should be in accordance with Federal, State/Provincial and Local regulations.

For Household Settings: The following instructions are for consumer usage only. Do not discharge product into natural waters without adequate dilution.

For Non-Household Settings: Products covered by this SDS, in their original form, when disposed as waste, are considered non-hazardous waste according to Federal RCRA regulations (40 CFR 261). Disposal should be in accordance with local, state and federal regulations.

California Waste Code: 331

SECTION 14 - TRANSPORT INFORMATION

Finished packaged product transported by ground (DOT): Non hazardous

Finished packaged product transported by vessel (IMDG): Non hazardous

Finished packaged product transported by air (IATA): Non hazardous

SECTION 15 - ADDITIONAL REGULATORY INFORMATION

EU DPD (Dangerous Products Directive) Classification (DPD 88/379/EEC).

Regulated as a Cosmetic and/or Drug under FDA (US), HPB (Canada), Cosmetic Directive (EU), MHW (Japan) and MOH (China).

While the finished product(s) is not considered hazardous as defined in 29 CFR 1910.1200 (d), this SDS contains valuable information critical to the safe handling and proper use of the product.

US Federal

The product described in this Safety Data Sheet is regulated under the Federal Food, Drug, and Cosmetics Act and is safe to use as per directions on container, box or accompanying literature (where applicable).

CERCLA reportable quantity (RQ):

To the best of our knowledge, no CERCLA Reportable quantity has been established for this product.

SARA 313/302/304/311/312 chemicals:

Immediate (Acute) Health Hazard: No

Delayed (Chronic) Health Hazard: No

Fire Hazard: No

Reactive Hazard: No

Sudden Release of Pressure Hazard: No

Section 313: To the best of our knowledge, this product does not contain chemicals at levels which require reporting under this statute.

Canada

All ingredients are CEPA approved for import to Canada. This product has been registered in accordance with the hazard criteria of the Canadian Controlled Product Regulations (CPR) and this SDS contains all information required by the CPR.

US States

CA Prop 65:

This product is not subject to warning labeling under California Proposition 65.

State Right-to-Know:

Pennsylvania (Worker Right to know Act): Pennsylvania Special Hazardous Substance list.

To the best of our knowledge, this product does not contain chemicals at levels which require reporting under this statute.

Other

Perfumes contained within the products covered by this SDS comply with appropriate IFRA guidance.

SECTION 16 - OTHER INFORMATION

DISCLAIMER: This SDS is intended to provide a brief summary of our knowledge and guidance regarding the use of this material. The information contained here has been compiled from sources considered by Procter & Gamble to be dependable and is accurate to the best of the Company's knowledge. It is not meant to be an all-inclusive document on worldwide hazard communication regulations.

This information is offered in good faith. Each user of this material needs to evaluate the conditions of use and design the appropriate protective mechanisms to prevent employee

exposures, property damage or release to the environment. Malibu Wellness, INC. assumed no responsibility for injury to the recipient or third persons, or for any damage to any property resulting from misuse of the product.

SAFETY DATA SHEET

Malibu Wellness, Inc. encourages and expects you to read and understand the SDS, as there is important information throughout this document. We expect you to follow the precaution identified in this document.

SECTION 1 - CHEMICAL SUBSTANCE/PRODUCT AND COMPANY IDENTIFICATION

- **Finished Product Name:** Malibu C® Malibu Blondes
- **SKU:** (757088159259), (757088159204)

- **Company Identification:** Malibu Wellness, Inc.
6050 E. Hanna Avenue, Indianapolis, In 46203
- **Contact:** Consumer Relations at 1-800-622-7332

- **In case of medical emergencies, please contact your local poison control center.**
- **Transportation emergency (24 hour), contact:**

CHEMTREC - Phone # 1-800-424-9300 (U.S. and Canada) or 011-703-527-3887 (for calls originating elsewhere).

- **DATE:** 10-24-2019

SECTION 2 - HAZARDS IDENTIFICATION

EMERGENCY OVERVIEW:

This personal care product is safe for consumers and other users when used as directed and intended.. Additional information re: any specific toxicological issues are available upon written request.

POTENTIAL HEALTH EFFECTS:

- **Eye:**

Contact may cause mild, transient irritation. Some redness and/or stinging may occur.

- **Skin:**

Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient.

- **Inhalation:**

Not expected to be irritating to the respiratory system. Not volatile therefore limited inhalation exposure anticipated.

- **Ingestion:**

Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.

SECTION 3 - COMPOSITION AND INGREDIENTS

The complete ingredient list for the finished product(s) is as follows:

Glucose, Ascorbic Acid, Sodium Gluconate, Sodium Cocoyl Isethionate, Disodium EDTA, Xanthan Gum, Betaine, Panthenol

The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

SECTION 4 - FIRST AID MEASURES

- **Eye:**

Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, contact a physician.

- **Skin Problem:**

Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

- **Inhalation:**

If respiratory irritation occurs, remove individual to fresh air. Consult a physician if irritation persists.

- **Ingestion:**

Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting. Note: After first aid treatment, the caller should be advised that 1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary in the judgment of the caller, and 2) that the subsequent management of the accident should be dictated by any persistent symptoms and under the direction of the physician.

SECTION 5 - FIRE FIGHTING MEASURES

- **Flash Point:** Not applicable.

- **Extinguishing Media:** Use chemical foam, dry chemical, carbon dioxide or water.

- **Explosion Hazard:** No applicable information has been found.

- **Fire Fighting Instructions:** Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives. Thermal degradation may also produce oxides of silicone.

SECTION 6- ACCIDENTAL RELEASE MEASURES

- **Procedures for Spill/Leak Clean-up:**

For Household Settings: Absorb liquid and scrub the area with detergent. Dilute with water.

For Non-Household Settings: Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact.

SECTION 7 - HANDLING AND STORAGE

- **Precautions for Safe Handling:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Conditions for Safe Storage:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Other Recommendations:** None.

SECTION 8 - EXPOSURE CONTROLS, PERSONAL PROTECTION

- **For Household Settings:**

This personal care product is safe for consumers and other users under normal and reasonably foreseen use.

- **For Non-Household Settings:**

Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact. Always follow good hygienic work practices. Avoid prolonged contact with skin and clothing.

SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

- | | |
|--|---|
| • Color, Odor and Appearance: White odorless powder | • Melting Point: Not applicable. |
| • Physical State: Powder | • Boiling Point: Not applicable |
| • pH (14% Solution): 3.5 – 4.5 | • Solubility in Water: soluble. |
| • Flashpoint: Not applicable. | • % VOC: 0% VOC |
| • Vapor Density: Not applicable. | • Specific Gravity: 1.00-1.90 |

SECTION 10 - STABILITY AND REACTIVITY

- **Conditions to Avoid:** No applicable information has been found.
- **Other Recommendations:** None.

SECTION 11 - TOXICOLOGICAL INFORMATION

This personal care product is safe for consumers and other users under intended and reasonably foreseeable use. Additional information regarding toxicological issues is available from the supplier upon request.

Chronic Effects: Finished product is not expected to have chronic health effects.

Target Organs: No adverse health effects on target organs expected for finished product.

Carcinogenicity: Finished product is not expected to be carcinogenic.

NTP: No **IARC:** No **OSHA:** No

SECTION 12 - ECOLOGICAL INFORMATION

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier on request.

SECTION 13 - DISPOSAL CONSIDERATIONS

Disposal should be in accordance with Federal, State/Provincial and Local regulations.

For Household Settings: The following instructions are for consumer usage only. Do not discharge product into natural waters without adequate dilution.

For Non-Household Settings: Products covered by this SDS, in their original form, when disposed as waste, are considered non-hazardous waste according to Federal RCRA regulations (40 CFR 261). Disposal should be in accordance with local, state and federal regulations.

California Waste Code: 331

SECTION 14 - TRANSPORT INFORMATION

Finished packaged product transported by ground (DOT): Non hazardous

- **DATE:** 10-24-2019

SECTION 2 - HAZARDS IDENTIFICATION

EMERGENCY OVERVIEW:

This personal care product is safe for consumers and other users when used as directed and intended.. Additional information re: any specific toxicological issues are available upon written request.

POTENTIAL HEALTH EFFECTS:

- **Eye:**

Contact may cause mild, transient irritation. Some redness and/or stinging may occur.

- **Skin:**

Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient.

- **Inhalation:**

Not expected to be irritating to the respiratory system. Not volatile therefore limited inhalation exposure anticipated.

- **Ingestion:**

Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.

SECTION 3 - COMPOSITION AND INGREDIENTS

The complete ingredient list for the finished product(s) is as follows:

Water/Aqua/Eau, Cetearyl Alcohol, Glycerin, Butylene Glycol, Isopropyl Myristate, Stearalkonium Chloride, Cetyl Alcohol, Dimethicone, Butyrospermum Parkii Butter, Behentrimonium Chloride, Polyquaternium-37, Magnesium Ascorbyl Phosphate, PPG-20 Methyl Glucose Ether, Olea Europaea Fruit Oil, CI 60730 / Violet 2, Polyquaternium-4, Propylene Glycol, Cetrimonium Chloride, Linum Usitatissimum Seed Extract, Tocopherol, Polyquaternium-7, Tocotrienols, Panthenol, Hydrolyzed Rice Protein, C12-15 Alkyl Benzoate, Citric Acid, Phenoxyethanol, Sodium Benzoate, Potassium Sorbate, Limonene, Benzyl Salicylate, Fragrance/Parfum.

The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

SECTION 4 - FIRST AID MEASURES

- **Eye:**

Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, contact a physician.

- **Skin Problem:**

Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

- **Inhalation:**

If respiratory irritation occurs, remove individual to fresh air. Consult a physician if irritation persists.

- **Ingestion:**

Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting. Note: After first aid treatment, the caller should be advised that 1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary in the judgment of the caller, and 2) that the subsequent management of the accident should be dictated by any persistent symptoms and under the direction of the physician.

SECTION 5 - FIRE FIGHTING MEASURES

- **Flash Point:** Not applicable.

- **Extinguishing Media:** Use chemical foam, dry chemical, carbon dioxide or water.

- **Explosion Hazard:** No applicable information has been found.

- **Fire Fighting Instructions:** Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives. Thermal degradation may also produce oxides of silicone.

SECTION 6- ACCIDENTAL RELEASE MEASURES

- **Procedures for Spill/Leak Clean-up:**

For Household Settings: Absorb liquid and scrub the area with detergent. Dilute with water.

For Non-Household Settings: Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact.

SECTION 7 - HANDLING AND STORAGE

- **Precautions for Safe Handling:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Conditions for Safe Storage:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Other Recommendations:** None.

SECTION 8 - EXPOSURE CONTROLS, PERSONAL PROTECTION

- **For Household Settings:**

This personal care product is safe for consumers and other users under normal and reasonably foreseen use.

- **For Non-Household Settings:**

Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact. Always follow good hygienic work practices. Avoid prolonged contact with skin and clothing.

SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

- **Color, Odor and Appearance:** Violet Color
Floral/Tropical Fragrance

- **Melting Point:** Not applicable.

- **Physical State:** Liquid

- **Boiling Point:** 212F +

- **pH:** 4.0-5.5

- **Solubility in Water:** Water based emulsion - rinses clean

- **Flashpoint:** Not applicable.

- **% VOC:** 0% VOC

- **Vapor Density:** water

- **Specific Gravity:** 0.80 -0.99

SECTION 10 - STABILITY AND REACTIVITY

- **Conditions to Avoid:** No applicable information has been found.
- **Other Recommendations:** None.

SECTION 11 - TOXICOLOGICAL INFORMATION

This personal care product is safe for consumers and other users under intended and reasonably foreseeable use. Additional information regarding toxicological issues is available from the supplier upon request.

Chronic Effects: Finished product is not expected to have chronic health effects.

Target Organs: No adverse health effects on target organs expected for finished product.

Carcinogenicity: Finished product is not expected to be carcinogenic.

NTP: No **IARC:** No **OSHA:** No

SECTION 12 - ECOLOGICAL INFORMATION

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier on request.

SECTION 13 - DISPOSAL CONSIDERATIONS

Disposal should be in accordance with Federal, State/Provincial and Local regulations.

For Household Settings: The following instructions are for consumer usage only. Do not discharge product into natural waters without adequate dilution.

For Non-Household Settings: Products covered by this SDS, in their original form, when disposed as waste, are considered non-hazardous waste according to Federal RCRA regulations (40 CFR 261). Disposal should be in accordance with local, state and federal regulations.

California Waste Code: 331

SECTION 14 - TRANSPORT INFORMATION

Finished packaged product transported by ground (DOT): Non hazardous

Finished packaged product transported by vessel (IMDG): Non hazardous

Finished packaged product transported by air (IATA): Non hazardous

SECTION 15 - ADDITIONAL REGULATORY INFORMATION

EU DPD (Dangerous Products Directive) Classification (DPD 88/379/EEC).

Regulated as a Cosmetic and/or Drug under FDA (US), HPB (Canada), Cosmetic Directive (EU), MHW (Japan) and MOH (China).

While the finished product(s) is not considered hazardous as defined in 29 CFR 1910.1200 (d), this SDS contains valuable information critical to the safe handling and proper use of the product.

US Federal

The product described in this Safety Data Sheet is regulated under the Federal Food, Drug, and Cosmetics Act and is safe to use as per directions on container, box or accompanying literature (where applicable).

CERCLA reportable quantity (RQ):

To the best of our knowledge, no CERCLA Reportable quantity has been established for this product.

SARA 313/302/304/311/312 chemicals:

Immediate (Acute) Health Hazard: No

Delayed (Chronic) Health Hazard: No

Fire Hazard: No

Reactive Hazard: No

Sudden Release of Pressure Hazard: No

Section 313: To the best of our knowledge, this product does not contain chemicals at levels which require reporting under this statute.

Canada

All ingredients are CEPA approved for import to Canada. This product has been registered in accordance with the hazard criteria of the Canadian Controlled Product Regulations (CPR) and this SDS contains all information required by the CPR.

US States

CA Prop 65:

This product is not subject to warning labeling under California Proposition 65.

State Right-to-Know:

Pennsylvania (Worker Right to know Act): Pennsylvania Special Hazardous Substance list.

To the best of our knowledge, this product does not contain chemicals at levels which require reporting under this statute.

Other

Perfumes contained within the products covered by this SDS comply with appropriate IFRA guidance.

SECTION 16 - OTHER INFORMATION

DISCLAIMER: This SDS is intended to provide a brief summary of our knowledge and guidance regarding the use of this material. The information contained here has been compiled from sources considered by Procter & Gamble to be dependable and is accurate to the best of the Company's knowledge. It is not meant to be an all-inclusive document on worldwide hazard communication regulations.

This information is offered in good faith. Each user of this material needs to evaluate the conditions of use and design the appropriate protective mechanisms to prevent employee

exposures, property damage or release to the environment. Malibu Wellness, INC. assumed no responsibility for injury to the recipient or third persons, or for any damage to any property resulting from misuse of the product.

SAFETY DATA SHEET

Malibu Wellness, Inc. encourages and expects you to read and understand the SDS, as there is important information throughout this document. We expect you to follow the precaution identified in this document.

SECTION 1 - CHEMICAL SUBSTANCE/PRODUCT AND COMPANY IDENTIFICATION

- **Finished Product Name:** Malibu C® Illumin8 Shine Conditioner
- **Company Identification:** Malibu Wellness, Inc.
6050 E. Hanna Avenue, Indianapolis, In 46203
- **Contact:** Consumer Relations at 1-800-622-7332
- **In case of medical emergencies, please contact your local poison control center.**
- **Transportation emergency (24 hour), contact:**
CHEMTREC - Phone # 1-800-424-9300 (U.S. and Canada) or 011-703-527-3887 (for calls originating elsewhere).
- **DATE:** 10-24-2019

SECTION 2 - HAZARDS IDENTIFICATION

EMERGENCY OVERVIEW:

This personal care product is safe for consumers and other users when used as directed and intended.. Additional information re: any specific toxicological issues are available upon written request.

POTENTIAL HEALTH EFFECTS:

- **Eye:**

Contact may cause mild, transient irritation. Some redness and/or stinging may occur.

- **Skin:**

Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient.

- **Inhalation:**

Not expected to be irritating to the respiratory system. Not volatile therefore limited inhalation exposure anticipated.

- **Ingestion:**

Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.

SECTION 3 - COMPOSITION AND INGREDIENTS

The complete ingredient list for the finished product(s) is as follows:

Water/Aqua/Eau, Olea Europaea Fruit Oil, Cetearyl Alcohol, Cetyl Alcohol, Butylene Glycol, Glycerin, Persea Gratissima Oil, Stearalkonium Chloride , Butyrospermum Parkii Butter, Ethyl Macadamiate, Macadamia Ternifolia Seed Oil, Behentrimonium Chloride, Magnesium Ascorbate, Panthenol, Argania Spinosa Kernel Oil, Sclerocarya Birrea Seed Oil, Vitis Vinifera Seed Oil , Citric Acid, Phenoxyethanol, Polysorbate 20, Isopropyl Myristate, Cetrimonium Chloride, Potassium Sorbate, Polyquaternium-7, Limonene, Fragrance/Parfum.

The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

SECTION 4 - FIRST AID MEASURES

- **Eye:**

Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, contact a physician.

- **Skin Problem:**

Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

- **Inhalation:**

If respiratory irritation occurs, remove individual to fresh air. Consult a physician if irritation persists.

- **Ingestion:**

Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting. Note: After first aid treatment, the caller should be advised that 1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary in the judgment of the caller, and 2) that the subsequent management of the accident should be dictated by any persistent symptoms and under the direction of the physician.

SECTION 5 - FIRE FIGHTING MEASURES

- **Flash Point:** Not applicable.

- **Extinguishing Media:** Use chemical foam, dry chemical, carbon dioxide or water.

- **Explosion Hazard:** No applicable information has been found.

- **Fire Fighting Instructions:** Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives. Thermal degradation may also produce oxides of silicone.

SECTION 6- ACCIDENTAL RELEASE MEASURES

- **Procedures for Spill/Leak Clean-up:**

For Household Settings: Absorb liquid and scrub the area with detergent. Dilute with water.

For Non-Household Settings: Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact.

SECTION 7 - HANDLING AND STORAGE

- **Precautions for Safe Handling:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Conditions for Safe Storage:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Other Recommendations:** None.

SECTION 8 - EXPOSURE CONTROLS, PERSONAL PROTECTION

- **For Household Settings:**

This personal care product is safe for consumers and other users under normal and reasonably foreseen use.

- **For Non-Household Settings:**

Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact. Always follow good hygienic work practices. Avoid prolonged contact with skin and clothing.

SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

- | | |
|---|---|
| • Color, Odor and Appearance: White-Yellow Cream | • Melting Point: Not applicable. |
| • Physical State: Liquid | • Boiling Point: >212°F (100°C) |
| • pH: 4.00-6.50 | • Solubility in Water: Slightly insoluble. |
| • Flashpoint: Not applicable. | • % VOC: 0% VOC |
| • Vapor Density: Not applicable. | • Specific Gravity: 0.80-0.99 |

SECTION 10 - STABILITY AND REACTIVITY

- **Conditions to Avoid:** No applicable information has been found.
- **Other Recommendations:** None.

SECTION 11 - TOXICOLOGICAL INFORMATION

This personal care product is safe for consumers and other users under intended and reasonably foreseeable use. Additional information regarding toxicological issues is available from the supplier upon request.

Chronic Effects: Finished product is not expected to have chronic health effects.

Target Organs: No adverse health effects on target organs expected for finished product.

Carcinogenicity: Finished product is not expected to be carcinogenic.

NTP: No **IARC:** No **OSHA:** No

SECTION 12 - ECOLOGICAL INFORMATION

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier on request.

SECTION 13 - DISPOSAL CONSIDERATIONS

Disposal should be in accordance with Federal, State/Provincial and Local regulations.

For Household Settings: The following instructions are for consumer usage only. Do not discharge product into natural waters without adequate dilution.

For Non-Household Settings: Products covered by this SDS, in their original form, when disposed as waste, are considered non-hazardous waste according to Federal RCRA regulations (40 CFR 261). Disposal should be in accordance with local, state and federal regulations.

California Waste Code: 331

SECTION 14 - TRANSPORT INFORMATION

Finished packaged product transported by ground (DOT): Non hazardous

Finished packaged product transported by vessel (IMDG): Non hazardous

Finished packaged product transported by air (IATA): Non hazardous

SECTION 15 - ADDITIONAL REGULATORY INFORMATION

EU DPD (Dangerous Products Directive) Classification (DPD 88/379/EEC).

Regulated as a Cosmetic and/or Drug under FDA (US), HPB (Canada), Cosmetic Directive (EU), MHW (Japan) and MOH (China).

While the finished product(s) is not considered hazardous as defined in 29 CFR 1910.1200 (d), this SDS contains valuable information critical to the safe handling and proper use of the product.

US Federal

The product described in this Safety Data Sheet is regulated under the Federal Food, Drug, and Cosmetics Act and is safe to use as per directions on container, box or accompanying literature (where applicable).

CERCLA reportable quantity (RQ):

To the best of our knowledge, no CERCLA Reportable quantity has been established for this product.

SECTION 2 - HAZARDS IDENTIFICATION

EMERGENCY OVERVIEW:

This personal care product is safe for consumers and other users when used as directed and intended.. Additional information re: any specific toxicological issues are available upon written request.

POTENTIAL HEALTH EFFECTS:

- **Eye:**

Contact may cause mild, transient irritation. Some redness and/or stinging may occur.

- **Skin:**

Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient.

- **Inhalation:**

Not expected to be irritating to the respiratory system. Not volatile therefore limited inhalation exposure anticipated.

- **Ingestion:**

Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.

SECTION 3 - COMPOSITION AND INGREDIENTS

The complete ingredient list for the finished product(s) is as follows:

Water/Aqua/Eau, Cetearyl Alcohol, Glycerin, Butylene Glycol, Cetyl Alcohol, Hydrolyzed Soy Protein, Hydrolyzed Rice Protein, Isopropyl Myristate, Behentrimonium Chloride, Panthenol, Ethyl Macadamiate, Hydrolyzed Pea Protein, Cetrimonium Chloride, Olea Europaea Fruit Oil, Magnesium Ascorbate, Linum Usitatissimum Seed Extract, Citric Acid, Potassium Sorbate, Phenoxyethanol, Stearalkonium Chloride, Polysorbate 20, Limonene, Fragrance/Parfum.

The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

SECTION 4 - FIRST AID MEASURES

- **Eye:**

Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, contact a physician.

- **Skin Problem:**

Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

- **Inhalation:**

If respiratory irritation occurs, remove individual to fresh air. Consult a physician if irritation persists.

- **Ingestion:**

Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting. Note: After first aid treatment, the caller should be advised that 1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary in the judgment of the caller, and 2) that the subsequent management of the accident should be dictated by any persistent symptoms and under the direction of the physician.

SECTION 5 - FIRE FIGHTING MEASURES

- **Flash Point:** Not applicable.

- **Extinguishing Media:** Use chemical foam, dry chemical, carbon dioxide or water.

- **Explosion Hazard:** No applicable information has been found.

- **Fire Fighting Instructions:** Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives. Thermal degradation may also produce oxides of silicone.

SECTION 6- ACCIDENTAL RELEASE MEASURES

- **Procedures for Spill/Leak Clean-up:**

For Household Settings: Absorb liquid and scrub the area with detergent. Dilute with water.

For Non-Household Settings: Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact.

SECTION 7 - HANDLING AND STORAGE

- **Precautions for Safe Handling:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Conditions for Safe Storage:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Other Recommendations:** None.

SECTION 8 - EXPOSURE CONTROLS, PERSONAL PROTECTION

- **For Household Settings:**

This personal care product is safe for consumers and other users under normal and reasonably foreseen use.

- **For Non-Household Settings:**

Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact. Always follow good hygienic work practices. Avoid prolonged contact with skin and clothing.

SECTION 2 - HAZARDS IDENTIFICATION

EMERGENCY OVERVIEW:

This personal care product is safe for consumers and other users when used as directed and intended. Additional information re: any specific toxicological issues are available upon written request.

POTENTIAL HEALTH EFFECTS:

- **Eye:**

Contact may cause mild, transient irritation. Some redness and/or stinging may occur.

- **Skin:**

Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient.

- **Inhalation:**

Not expected to be irritating to the respiratory system. Not volatile therefore limited inhalation exposure anticipated.

- **Ingestion:**

Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.

SECTION 3 - COMPOSITION AND INGREDIENTS

The complete ingredient list for the finished product(s) is as follows:

Glucose, Ascorbic Acid, Disodium EDTA, Sodium Gluconate, Xanthan Gum, Panthenol, Betaine, Niacin, Biotin.

The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

SECTION 4 - FIRST AID MEASURES

- **Eye:**

Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, contact a physician.

- **Skin Problem:**

Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

- **Inhalation:**

If respiratory irritation occurs, remove individual to fresh air. Consult a physician if irritation persists.

- **Ingestion:**

Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting. Note: After first aid treatment, the caller should be advised that 1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary in the judgment of the caller, and 2) that the subsequent management of the accident should be dictated by any persistent symptoms and under the direction of the physician.

SECTION 5 - FIRE FIGHTING MEASURES

- **Flash Point:** Not applicable.

- **Extinguishing Media:** Use chemical foam, dry chemical, carbon dioxide or water.

- **Explosion Hazard:** No applicable information has been found.

- **Fire Fighting Instructions:** Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives. Thermal degradation may also produce oxides of silicone.

SECTION 6- ACCIDENTAL RELEASE MEASURES

- **Procedures for Spill/Leak Clean-up:**

For Household Settings: Absorb liquid and scrub the area with detergent. Dilute with water.

For Non-Household Settings: Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact.

SECTION 7 - HANDLING AND STORAGE

- **Precautions for Safe Handling:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Conditions for Safe Storage:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Other Recommendations:** None.

SECTION 8 - EXPOSURE CONTROLS, PERSONAL PROTECTION

- **For Household Settings:**

This personal care product is safe for consumers and other users under normal and reasonably foreseen use.

- **For Non-Household Settings:**

Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact. Always follow good hygienic work practices. Avoid prolonged contact with skin and clothing.

SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

- | | |
|---|---|
| • Color, Odor and Appearance: White crystalline powder | • Melting Point: Not applicable. |
| • Physical State: Powder | • Boiling Point: Not applicable |
| • pH (14% Solution) : 3.5-4.5 | • Solubility in Water: soluble. |
| • Flashpoint: Not applicable. | • % VOC: 0% VOC |
| • Vapor Density: Not applicable. | • Specific Gravity: 1.00-1.90 |

SECTION 10 - STABILITY AND REACTIVITY

- **Conditions to Avoid:** No applicable information has been found.
- **Other Recommendations:** None.

SECTION 11 - TOXICOLOGICAL INFORMATION

This personal care product is safe for consumers and other users under intended and reasonably foreseeable use. Additional information regarding toxicological issues is available from the supplier upon request.

Chronic Effects: Finished product is not expected to have chronic health effects.

Target Organs: No adverse health effects on target organs expected for finished product.

Carcinogenicity: Finished product is not expected to be carcinogenic.

NTP: No **IARC:** No **OSHA:** No

SECTION 12 - ECOLOGICAL INFORMATION

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier on request.

SECTION 13 - DISPOSAL CONSIDERATIONS

Disposal should be in accordance with Federal, State/Provincial and Local regulations.

For Household Settings: The following instructions are for consumer usage only. Do not discharge product into natural waters without adequate dilution.

For Non-Household Settings: Products covered by this SDS, in their original form, when disposed as waste, are considered non-hazardous waste according to Federal RCRA regulations (40 CFR 261). Disposal should be in accordance with local, state and federal regulations.

California Waste Code: 331

SECTION 14 - TRANSPORT INFORMATION

Finished packaged product transported by ground (DOT): Non hazardous

Finished packaged product transported by vessel (IMDG): Non hazardous

Finished packaged product transported by air (IATA): Non hazardous

SECTION 15 - ADDITIONAL REGULATORY INFORMATION

EU DPD (Dangerous Products Directive) Classification (DPD 88/379/EEC).

Regulated as a Cosmetic and/or Drug under FDA (US), HPB (Canada), Cosmetic Directive (EU), MHW (Japan) and MOH (China).

While the finished product(s) is not considered hazardous as defined in 29 CFR 1910.1200 (d), this SDS contains valuable information critical to the safe handling and proper use of the product.

US Federal

The product described in this Safety Data Sheet is regulated under the Federal Food, Drug, and Cosmetics Act and is safe to use as per directions on container, box or accompanying literature (where applicable).

CERCLA reportable quantity (RQ):

To the best of our knowledge, no CERCLA Reportable quantity has been established for this product.

SARA 313/302/304/311/312 chemicals:

Immediate (Acute) Health Hazard: No

Delayed (Chronic) Health Hazard: No

Fire Hazard: No

Reactive Hazard: No

Sudden Release of Pressure Hazard: No

Section 313: To the best of our knowledge, this product does not contain chemicals at levels which require reporting under this statute.

Canada

All ingredients are CEPA approved for import to Canada. This product has been registered in accordance with the hazard criteria of the Canadian Controlled Product Regulations (CPR) and this SDS contains all information required by the CPR.

US States

CA Prop 65:

This product is not subject to warning labeling under California Proposition 65.

State Right-to-Know:

Pennsylvania (Worker Right to know Act): Pennsylvania Special Hazardous Substance list.

To the best of our knowledge, this product does not contain chemicals at levels which require reporting under this statute.

Other

Perfumes contained within the products covered by this SDS comply with appropriate IFRA guidance.

SECTION 16 - OTHER INFORMATION

DISCLAIMER: This SDS is intended to provide a brief summary of our knowledge and guidance regarding the use of this material. The information contained here has been compiled from sources considered by Procter & Gamble to be dependable and is accurate to the best of the Company's knowledge. It is not meant to be an all-inclusive document on worldwide hazard communication regulations.

This information is offered in good faith. Each user of this material needs to evaluate the conditions of use and design the appropriate protective mechanisms to prevent employee

exposures, property damage or release to the environment. Malibu Wellness, INC. assumes no responsibility for injury to the recipient or third persons, or for any damage to any property resulting from misuse of the product.

SAFETY DATA SHEET

Malibu Wellness, Inc. encourages and expects you to read and understand the SDS, as there is important information throughout this document. We expect you to follow the precaution identified in this document.

SECTION 1 - CHEMICAL SUBSTANCE/PRODUCT AND COMPANY IDENTIFICATION

- **Finished Product Name:** Malibu C® Scalp Wellness Shampoo
- **SKU:** (757088223097, 757088223349)

- **Company Identification:** Malibu Wellness, Inc.
6050 E. Hanna Avenue, Indianapolis, In 46203
- **Contact:** Consumer Relations at 1-800-622-7332

- **In case of medical emergencies, please contact your local poison control center.**
- **Transportation emergency (24 hour), contact:**

CHEMTREC - Phone # 1-800-424-9300 (U.S. and Canada) or 011-703-527-3887 (for calls originating elsewhere).

- **DATE** 10-24-2019

SECTION 2 - HAZARDS IDENTIFICATION

EMERGENCY OVERVIEW:

This personal care product is safe for consumers and other users when used as directed and intended.. Additional information re: any specific toxicological issues are available upon written request.

POTENTIAL HEALTH EFFECTS:

- **Eye:**

Contact may cause mild, transient irritation. Some redness and/or stinging may occur.

- **Skin:**

Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient.

- **Inhalation:**

Not expected to be irritating to the respiratory system. Not volatile therefore limited inhalation exposure anticipated.

- **Ingestion:**

Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.

SECTION 3 - COMPOSITION AND INGREDIENTS

The complete ingredient list for the finished product(s) is as follows:

Water/Aqua/Eau, Sodium C14-16 Olefin Sulfonate, Cocamide DIPA, Cocamidopropyl Betaine, Butylene Glycol, Disodium Laureth Sulfosuccinate, PEG-120 Methyl Glucose Dioleate, Tocopheryl Acetate, Menthol, Panthenol, Mentha Viridis Leaf Oil, Linum Usitatissimum Seed Extract, Hydrolyzed Rice Protein, Disodium EDTA, Glycerin, Glucose, Citric Acid, Sodium Lauryl Sulfoacetate, Polyquaternium 10, Sodium Gluconate, Fragrance/Parfum, Phenoxyethanol, Potassium Sorbate.

The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

SECTION 4 - FIRST AID MEASURES

- **Eye:**

Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, contact a physician.

- **Skin Problem:**

Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

- **Inhalation:**

If respiratory irritation occurs, remove individual to fresh air. Consult a physician if irritation persists.

- **Ingestion:**

Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting. Note: After first aid treatment, the caller should be advised that 1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary in the judgment of the caller, and 2) that the subsequent management of the accident should be dictated by any persistent symptoms and under the direction of the physician.

SECTION 5 - FIRE FIGHTING MEASURES

- **Flash Point:** Not applicable.

- **Extinguishing Media:** Use chemical foam, dry chemical, carbon dioxide or water.

- **Explosion Hazard:** No applicable information has been found.

- **Fire Fighting Instructions:** Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives. Thermal degradation may also produce oxides of silicone.

SECTION 6- ACCIDENTAL RELEASE MEASURES

- **Procedures for Spill/Leak Clean-up:**

For Household Settings: Absorb liquid and scrub the area with detergent. Dilute with water.

For Non-Household Settings: Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact.

SECTION 7 - HANDLING AND STORAGE

- **Precautions for Safe Handling:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Conditions for Safe Storage:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Other Recommendations:** None.

SECTION 8 - EXPOSURE CONTROLS, PERSONAL PROTECTION

- **For Household Settings:**

This personal care product is safe for consumers and other users under normal and reasonably foreseen use.

- **For Non-Household Settings:**

Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact. Always follow good hygienic work practices. Avoid prolonged contact with skin and clothing.

SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

- | | |
|--|---|
| • Color, Odor and Appearance: viscous liquid, light fragrance | • Melting Point: Not applicable. |
| • Physical State: Liquid | • Boiling Point: Not applicable |
| • pH: 4.00-5.00 | • Solubility in Water: soluble. |
| • Flashpoint: Not applicable. | • % VOC: 0% VOC |
| • Vapor Density: Not applicable. | • Specific Gravity: 1.00-1.07 |

SECTION 10 - STABILITY AND REACTIVITY

- **Conditions to Avoid:** No applicable information has been found.
- **Other Recommendations:** None.

SECTION 11 - TOXICOLOGICAL INFORMATION

This personal care product is safe for consumers and other users under intended and reasonably foreseeable use. Additional information regarding toxicological issues is available from the supplier upon request.

Chronic Effects: Finished product is not expected to have chronic health effects.

Target Organs: No adverse health effects on target organs expected for finished product.

Carcinogenicity: Finished product is not expected to be carcinogenic.

NTP: No **IARC:** No **OSHA:** No

SECTION 12 - ECOLOGICAL INFORMATION

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier on request.

SECTION 13 - DISPOSAL CONSIDERATIONS

Disposal should be in accordance with Federal, State/Provincial and Local regulations.

For Household Settings: The following instructions are for consumer usage only. Do not discharge product into natural waters without adequate dilution.

For Non-Household Settings: Products covered by this SDS, in their original form, when disposed as waste, are considered non-hazardous waste according to Federal RCRA regulations (40 CFR 261). Disposal should be in accordance with local, state and federal regulations.

California Waste Code: 331

Not expected to be irritating to the respiratory system. Not volatile therefore limited inhalation exposure anticipated.

- **Ingestion:**

Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.

SECTION 3 - COMPOSITION AND INGREDIENTS

The complete ingredient list for the finished product(s) is as follows:

Water, Cetearyl Alcohol, Glycerin, Butylene Glycol, Isopropyl Myristate, Cetyl Alcohol, Stearalkonium Chloride, Olea Europaea Fruit Oil, Dimethicone, Behentrimonium Chloride, Tocotrienols, Tocopherol, Menthol, Linum Usitatissimum Seed Extract, Panthenol, Mentha Viridis Leaf Oil, Tocopheryl Acetate, Hydrolyzed Rice Protein, Cetrimonium Chloride, Cyclohexasiloxane, Polyquaternium-4, Cyclopentasiloxane, C12-15 Alkyl Benzoate, Citric Acid, Fragrance/Parfum, Phenoxyethanol, Potassium Sorbate.

The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

SECTION 4 - FIRST AID MEASURES

- **Eye:**

Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, contact a physician.

- **Skin Problem:**

Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

- **Inhalation:**

If respiratory irritation occurs, remove individual to fresh air. Consult a physician if irritation persists.

- **Ingestion:**

Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting. Note: After first aid treatment, the caller should be advised that 1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary in the judgment of the caller, and 2) that the subsequent management of the accident should be dictated by any persistent symptoms and under the direction of the physician.

SECTION 5 - FIRE FIGHTING MEASURES

- **Flash Point:** Not applicable.

- **Extinguishing Media:** Use chemical foam, dry chemical, carbon dioxide or water.

- **Explosion Hazard:** No applicable information has been found.

- **Fire Fighting Instructions:** Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives. Thermal degradation may also produce oxides of silicone.

SECTION 6- ACCIDENTAL RELEASE MEASURES

- **Procedures for Spill/Leak Clean-up:**

For Household Settings: Absorb liquid and scrub the area with detergent. Dilute with water.

For Non-Household Settings: Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact.

SECTION 7 - HANDLING AND STORAGE

- **Precautions for Safe Handling:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Conditions for Safe Storage:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Other Recommendations:** None.

SECTION 8 - EXPOSURE CONTROLS, PERSONAL PROTECTION

- **For Household Settings:**

This personal care product is safe for consumers and other users under normal and reasonably foreseen use.

- **For Non-Household Settings:**

Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact. Always follow good hygienic work practices. Avoid prolonged contact with skin and clothing.

SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

- **Color, Odor and Appearance:** white lotion emulsion - mint fragrance

- **Melting Point:** Not applicable.

- **Physical State:** Lotion

- **Boiling Point:** 212F +

- **pH:** 3.9 -5.0

- **Solubility in Water:** Water based emulsion - rinses clean

- **Flashpoint:** Not applicable.

- **% VOC:** 0% VOC

- **Vapor Density:** water

- **Specific Gravity:** 0.9 - 0.98

SECTION 10 - STABILITY AND REACTIVITY

- **Conditions to Avoid:** No applicable information has been found.
- **Other Recommendations:** None.

SECTION 11 - TOXICOLOGICAL INFORMATION

This personal care product is safe for consumers and other users under intended and reasonably foreseeable use. Additional information regarding toxicological issues is available from the supplier upon request.

Chronic Effects: Finished product is not expected to have chronic health effects.

Target Organs: No adverse health effects on target organs expected for finished product.

Carcinogenicity: Finished product is not expected to be carcinogenic.

NTP: No **IARC:** No **OSHA:** No

SECTION 12 - ECOLOGICAL INFORMATION

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier on request.

SECTION 13 - DISPOSAL CONSIDERATIONS

Disposal should be in accordance with Federal, State/Provincial and Local regulations.

For Household Settings: The following instructions are for consumer usage only. Do not discharge product into natural waters without adequate dilution.

For Non-Household Settings: Products covered by this SDS, in their original form, when disposed as waste, are considered non-hazardous waste according to Federal RCRA regulations (40 CFR 261). Disposal should be in accordance with local, state and federal regulations.

California Waste Code: 331

SECTION 14 - TRANSPORT INFORMATION

Finished packaged product transported by ground (DOT): Non hazardous

Finished packaged product transported by vessel (IMDG): Non hazardous

Finished packaged product transported by air (IATA): Non hazardous

SECTION 15 - ADDITIONAL REGULATORY INFORMATION

EU DPD (Dangerous Products Directive) Classification (DPD 88/379/EEC).

Regulated as a Cosmetic and/or Drug under FDA (US), HPB (Canada), Cosmetic Directive (EU), MHW (Japan) and MOH (China).

While the finished product(s) is not considered hazardous as defined in 29 CFR 1910.1200 (d), this SDS contains valuable information critical to the safe handling and proper use of the product.

US Federal

exposures, property damage or release to the environment. Malibu Wellness, INC. assumed no responsibility for injury to the recipient or third persons, or for any damage to any property resulting from misuse of the product.

SAFETY DATA SHEET

Malibu Wellness, Inc. encourages and expects you to read and understand the SDS, as there is important information throughout this document. We expect you to follow the precaution identified in this document.

SECTION 1 - CHEMICAL SUBSTANCE/PRODUCT AND COMPANY IDENTIFICATION

- **Finished Product Name:** Malibu C® Swimmers Remedy
- **SKU:** (757088159150), (757088159105)

- **Company Identification:** Malibu Wellness, Inc.
6050 E. Hanna Avenue, Indianapolis, In 46203
- **Contact:** Consumer Relations at 1-800-622-7332

- **In case of medical emergencies, please contact your local poison control center.**
- **Transportation emergency (24 hour), contact:**

CHEMTREC - Phone # 1-800-424-9300 (U.S. and Canada) or 011-703-527-3887 (for calls originating elsewhere).

- **DATE:** 10-24-2019

SECTION 2 - HAZARDS IDENTIFICATION

EMERGENCY OVERVIEW:

This personal care product is safe for consumers and other users when used as directed and intended. Additional information re: any specific toxicological issues are available upon written request.

POTENTIAL HEALTH EFFECTS:

- **Eye:**

Contact may cause mild, transient irritation. Some redness and/or stinging may occur.

- **Skin:**

Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient.

- **Inhalation:**

Not expected to be irritating to the respiratory system. Not volatile therefore limited inhalation exposure anticipated.

- **Ingestion:**

Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.

SECTION 3 - COMPOSITION AND INGREDIENTS

The complete ingredient list for the finished product(s) is as follows:

Glucose, Ascorbic Acid, Sodium Cocoyl Isethionate, Disodium EDTA, Xanthan Gum, Betaine.

The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

SECTION 4 - FIRST AID MEASURES

- **Eye:**

Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, contact a physician.

- **Skin Problem:**

Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

- **Inhalation:**

If respiratory irritation occurs, remove individual to fresh air. Consult a physician if irritation persists.

- **Ingestion:**

Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting. Note: After first aid treatment, the caller should be advised that 1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary in the judgment of the caller, and 2) that the subsequent management of the accident should be dictated by any persistent symptoms and under the direction of the physician.

SECTION 5 - FIRE FIGHTING MEASURES

- **Flash Point:** Not applicable.

- **Extinguishing Media:** Use chemical foam, dry chemical, carbon dioxide or water.

- **Explosion Hazard:** No applicable information has been found.

- **Fire Fighting Instructions:** Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives. Thermal degradation may also produce oxides of silicone.

SECTION 6- ACCIDENTAL RELEASE MEASURES

- **Procedures for Spill/Leak Clean-up:**

For Household Settings: Absorb liquid and scrub the area with detergent. Dilute with water.

For Non-Household Settings: Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact.

SECTION 7 - HANDLING AND STORAGE

- **Precautions for Safe Handling:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Conditions for Safe Storage:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Other Recommendations:** None.

SECTION 8 - EXPOSURE CONTROLS, PERSONAL PROTECTION

- **For Household Settings:**

This personal care product is safe for consumers and other users under normal and reasonably foreseen use.

- **For Non-Household Settings:**

Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact. Always follow good hygienic work practices. Avoid prolonged contact with skin and clothing.

SECTION 10 - STABILITY AND REACTIVITY

- **Conditions to Avoid:** No applicable information has been found.
- **Other Recommendations:** None.

SECTION 11 - TOXICOLOGICAL INFORMATION

This personal care product is safe for consumers and other users under intended and reasonably foreseeable use. Additional information regarding toxicological issues is available from the supplier upon request.

Chronic Effects: Finished product is not expected to have chronic health effects.

Target Organs: No adverse health effects on target organs expected for finished product.

Carcinogenicity: Finished product is not expected to be carcinogenic.

NTP: No **IARC:** No **OSHA:** No

SECTION 12 - ECOLOGICAL INFORMATION

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier on request.

SECTION 13 - DISPOSAL CONSIDERATIONS

Disposal should be in accordance with Federal, State/Provincial and Local regulations.

For Household Settings: The following instructions are for consumer usage only. Do not discharge product into natural waters without adequate dilution.

For Non-Household Settings: Products covered by this SDS, in their original form, when disposed as waste, are considered non-hazardous waste according to Federal RCRA regulations (40 CFR 261). Disposal should be in accordance with local, state and federal regulations.

California Waste Code: 331

SECTION 14 - TRANSPORT INFORMATION

Finished packaged product transported by ground (DOT): Non hazardous

Finished packaged product transported by vessel (IMDG): Non hazardous

Finished packaged product transported by air (IATA): Non hazardous

SECTION 15 - ADDITIONAL REGULATORY INFORMATION

EU DPD (Dangerous Products Directive) Classification (DPD 88/379/EEC).

Regulated as a Cosmetic and/or Drug under FDA (US), HPB (Canada), Cosmetic Directive (EU), MHW (Japan) and MOH (China).

While the finished product(s) is not considered hazardous as defined in 29 CFR 1910.1200 (d), this SDS contains valuable information critical to the safe handling and proper use of the product.

US Federal

The product described in this Safety Data Sheet is regulated under the Federal Food, Drug, and Cosmetics Act and is safe to use as per directions on container, box or accompanying literature (where applicable).

CERCLA reportable quantity (RQ):

To the best of our knowledge, no CERCLA Reportable quantity has been established for this product.

SARA 313/302/304/311/312 chemicals:

Immediate (Acute) Health Hazard: No

Delayed (Chronic) Health Hazard: No

Fire Hazard: No

Reactive Hazard: No

Sudden Release of Pressure Hazard: No

Section 313: To the best of our knowledge, this product does not contain chemicals at levels which require reporting under this statute.

Canada

All ingredients are CEPA approved for import to Canada. This product has been registered in accordance with the hazard criteria of the Canadian Controlled Product Regulations (CPR) and this SDS contains all information required by the CPR.

US States

CA Prop 65:

This product is not subject to warning labeling under California Proposition 65.

State Right-to-Know:

Pennsylvania (Worker Right to know Act): Pennsylvania Special Hazardous Substance list.

To the best of our knowledge, this product does not contain chemicals at levels which require reporting under this statute.

Other

Perfumes contained within the products covered by this SDS comply with appropriate IFRA guidance.

SECTION 16 - OTHER INFORMATION

DISCLAIMER: This SDS is intended to provide a brief summary of our knowledge and guidance regarding the use of this material. The information contained here has been compiled from sources considered by Procter & Gamble to be dependable and is accurate to the best of the Company's knowledge. It is not meant to be an all-inclusive document on worldwide hazard communication regulations.

This information is offered in good faith. Each user of this material needs to evaluate the conditions of use and design the appropriate protective mechanisms to prevent employee

exposures, property damage or release to the environment. Malibu Wellness, Inc. Assumes no responsibility for injury to the recipient or third persons, or for any damage to any property resulting from misuse of the product.

SAFETY DATA SHEET

Malibu Wellness, Inc. encourages and expects you to read and understand the SDS, as there is important information throughout this document. We expect you to follow the precaution identified in this document.

SECTION 1 - CHEMICAL SUBSTANCE/PRODUCT AND COMPANY IDENTIFICATION

- **Finished Product Name:** Malibu C® Illumin8 Shine Conditioner
- **Company Identification:** Malibu Wellness, Inc.
6050 E. Hanna Avenue, Indianapolis, In 46203
- **Contact:** Consumer Relations at 1-800-622-7332
- **In case of medical emergencies, please contact your local poison control center.**
- **Transportation emergency (24 hour), contact:**
CHEMTREC - Phone # 1-800-424-9300 (U.S. and Canada) or 011-703-527-3887 (for calls originating elsewhere).
- **DATE:** 10-24-2019

SECTION 2 - HAZARDS IDENTIFICATION

EMERGENCY OVERVIEW:

This personal care product is safe for consumers and other users when used as directed and intended.. Additional information re: any specific toxicological issues are available upon written request.

POTENTIAL HEALTH EFFECTS:

- **Eye:**

Contact may cause mild, transient irritation. Some redness and/or stinging may occur.

- **Skin:**

Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient.

- **Inhalation:**

Not expected to be irritating to the respiratory system. Not volatile therefore limited inhalation exposure anticipated.

- **Ingestion:**

Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.

SECTION 3 - COMPOSITION AND INGREDIENTS

The complete ingredient list for the finished product(s) is as follows:

Water/Aqua/Eau, Olea Europaea Fruit Oil, Cetearyl Alcohol, Cetyl Alcohol, Butylene Glycol, Glycerin, Persea Gratissima Oil, Stearalkonium Chloride , Butyrospermum Parkii Butter, Ethyl Macadamiate, Macadamia Ternifolia Seed Oil, Behentrimonium Chloride, Magnesium Ascorbate, Panthenol, Argania Spinosa Kernel Oil, Sclerocarya Birrea Seed Oil, Vitis Vinifera Seed Oil , Citric Acid, Phenoxyethanol, Polysorbate 20, Isopropyl Myristate, Cetrimonium Chloride, Potassium Sorbate, Polyquaternium-7, Limonene, Fragrance/Parfum.

The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA.

SECTION 4 - FIRST AID MEASURES

- **Eye:**

Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, contact a physician.

- **Skin Problem:**

Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

- **Inhalation:**

If respiratory irritation occurs, remove individual to fresh air. Consult a physician if irritation persists.

- **Ingestion:**

Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting. Note: After first aid treatment, the caller should be advised that 1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary in the judgment of the caller, and 2) that the subsequent management of the accident should be dictated by any persistent symptoms and under the direction of the physician.

SECTION 5 - FIRE FIGHTING MEASURES

- **Flash Point:** Not applicable.

- **Extinguishing Media:** Use chemical foam, dry chemical, carbon dioxide or water.

- **Explosion Hazard:** No applicable information has been found.

- **Fire Fighting Instructions:** Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives. Thermal degradation may also produce oxides of silicone.

SECTION 6- ACCIDENTAL RELEASE MEASURES

- **Procedures for Spill/Leak Clean-up:**

For Household Settings: Absorb liquid and scrub the area with detergent. Dilute with water.

For Non-Household Settings: Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact.

SECTION 7 - HANDLING AND STORAGE

- **Precautions for Safe Handling:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Conditions for Safe Storage:**

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

- **Other Recommendations:** None.

SECTION 8 - EXPOSURE CONTROLS, PERSONAL PROTECTION

- **For Household Settings:**

This personal care product is safe for consumers and other users under normal and reasonably foreseen use.

- **For Non-Household Settings:**

Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc) to prevent skin contact. Always follow good hygienic work practices. Avoid prolonged contact with skin and clothing.

SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

- | | |
|---|---|
| • Color, Odor and Appearance: White-Yellow Cream | • Melting Point: Not applicable. |
| • Physical State: Liquid | • Boiling Point: >212°F (100°C) |
| • pH: 4.00-6.50 | • Solubility in Water: Slightly insoluble. |
| • Flashpoint: Not applicable. | • % VOC: 0% VOC |
| • Vapor Density: Not applicable. | • Specific Gravity: 0.80-0.99 |

SECTION 10 - STABILITY AND REACTIVITY

- **Conditions to Avoid:** No applicable information has been found.
- **Other Recommendations:** None.

SECTION 11 - TOXICOLOGICAL INFORMATION

This personal care product is safe for consumers and other users under intended and reasonably foreseeable use. Additional information regarding toxicological issues is available from the supplier upon request.

Chronic Effects: Finished product is not expected to have chronic health effects.

Target Organs: No adverse health effects on target organs expected for finished product.

Carcinogenicity: Finished product is not expected to be carcinogenic.

NTP: No **IARC:** No **OSHA:** No

SECTION 12 - ECOLOGICAL INFORMATION

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier on request.

SECTION 13 - DISPOSAL CONSIDERATIONS

Disposal should be in accordance with Federal, State/Provincial and Local regulations.

For Household Settings: The following instructions are for consumer usage only. Do not discharge product into natural waters without adequate dilution.

For Non-Household Settings: Products covered by this SDS, in their original form, when disposed as waste, are considered non-hazardous waste according to Federal RCRA regulations (40 CFR 261). Disposal should be in accordance with local, state and federal regulations.

California Waste Code: 331

SECTION 14 - TRANSPORT INFORMATION

Finished packaged product transported by ground (DOT): Non hazardous

Finished packaged product transported by vessel (IMDG): Non hazardous

Finished packaged product transported by air (IATA): Non hazardous

SECTION 15 - ADDITIONAL REGULATORY INFORMATION

EU DPD (Dangerous Products Directive) Classification (DPD 88/379/EEC).

Regulated as a Cosmetic and/or Drug under FDA (US), HPB (Canada), Cosmetic Directive (EU), MHW (Japan) and MOH (China).

While the finished product(s) is not considered hazardous as defined in 29 CFR 1910.1200 (d), this SDS contains valuable information critical to the safe handling and proper use of the product.

US Federal

The product described in this Safety Data Sheet is regulated under the Federal Food, Drug, and Cosmetics Act and is safe to use as per directions on container, box or accompanying literature (where applicable).

SECTION 16 - OTHER INFORMATION

DISCLAIMER: This SDS is intended to provide a brief summary of our knowledge and guidance regarding the use of this material. The information contained here has been compiled from sources considered by Procter & Gamble to be dependable and is accurate to the best of the Company's knowledge. It is not meant to be an all-inclusive document on worldwide hazard communication regulations.

This information is offered in good faith. Each user of this material needs to evaluate the conditions of use and design the appropriate protective mechanisms to prevent employee

exposures, property damage or release to the environment. Malibu Wellness, INC. assumed no responsibility for injury to the recipient or third persons, or for any damage to any property resulting from misuse of the product.
